ADAMS COUNTY PURCHASE OF SERVICE AGREEMENT
FOR BLIGHT VIOLATION ABAITEMENT
AND PROPERTY/BUILDING SECURITY SERVICES (2016.015)

THIS AGREEMENT ("Agreement") is made this 23rd day of May, 2016, by and
between the Adams County Board of County Commissioners, located at 4430 South Adams
County Parkway, Brighton, Colorado 80601, hereinafter referred to as the "County," and
Grounds Service Company, Inc., located at 481 East 66th Avenue, Denver, Colorado 80229,
hereinafter referred to as the "Contractor." The County and the Contractor may be collectively
referred to herein as the "Parties".

The County and the Contractor, for the consideration herein set forth, agree as follows:

1. SERVICES OF THE CONTRACTOR:

   1.1. All work shall be in accordance with the attached IFB 2016.015 and the Contractor's
        response to the IFB 2016.015 attached hereto as Exhibit A, and incorporated herein by
        reference. Should there be any discrepancy between Exhibit A and this Agreement the
        terms and conditions of this Agreement shall prevail.

   1.2. Emergency Services: In the event the Adams County Board of County Commissioners
        declares an emergency, the County may request additional services (of the type
        described in this Agreement or otherwise within the expertise of the Contractor) to be
        performed by the Contractor. If the County requests such additional services, the
        Contractor shall provide such services in a timely fashion given the nature of the
        emergency, pursuant to the terms of this Agreement. Unless otherwise agreed to in
        writing by the parties, the Contractor shall bill for such services at the rates provided
        for in this Agreement.

2. RESPONSIBILITIES OF THE COUNTY: The County shall provide information as
   necessary or requested by the Contractor to enable the Contractor's performance under this
   Agreement.

3. TERM:

   3.1. Term of Agreement: The Term of this Agreement shall be for one year from the date of
        this Agreement.

   3.2. Extension Option: The County, at its sole option, may offer to extend this Agreement as
        necessary for up to two, one year extensions providing satisfactory service is given and
        all terms and conditions of this Agreement have been fulfilled. Such extensions must be
        mutually agreed upon in writing by the County and the Contractor.

4. PAYMENT AND FEE SCHEDULE: The County shall pay the Contractor for services
   furnished under this Agreement, and the Contractor shall accept as full payment for those
   services, the sum of seventy-five thousand dollars (75,000.00).

   4.1. Payment pursuant to this Agreement, whether in full or in part, is subject to and
        contingent upon the continuing availability of County funds for the purposes hereof. In
the event that funds become unavailable, as determined by the County, the County may immediately terminate this Agreement or amend it accordingly.

5. **INDEPENDENT CONTRACTOR:** In providing services under this Agreement, the Contractor acts as an independent contractor and not as an employee of the County. The Contractor shall be solely and entirely responsible for his/her acts and the acts of his/her employees, agents, servants, and subcontractors during the term and performance of this Agreement. No employee, agent, servant, or subcontractor of the Contractor shall be deemed to be an employee, agent, or servant of the County because of the performance of any services or work under this Agreement. The Contractor, at its expense, shall procure and maintain workers' compensation insurance as required by law. Pursuant to the Workers’ Compensation Act § 8-40-202(2)(b)(IV), C.R.S., as amended, the Contractor understands that it and its employees and servants are not entitled to workers’ compensation benefits from the County. The Contractor further understands that it is solely obligated for the payment of federal and state income tax on any moneys earned pursuant to this Agreement.

6. **NONDISCRIMINATION:**

6.1. **The Contractor shall not discriminate against any employee or qualified applicant for employment because of age, race, color, religion, marital status, disability, sex, or national origin. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices provided by the local public agency setting forth the provisions of this nondiscrimination clause. Adams County is an equal opportunity employer.**

6.1.1. The Contractor will cause the foregoing provisions to be inserted in all subcontracts for any work covered by this Agreement so that such provisions will be binding upon each subcontractor, provided that the foregoing provisions shall not apply to contracts or subcontracts for standard commercial supplies or raw materials.

7. **INDEMNIFICATION:** The Contractor agrees to indemnify and hold harmless the County, its officers, agents, and employees for, from, and against any and all claims, suits, expenses, damages, or other liabilities, including reasonable attorney fees and court costs, arising out of damage or injury to persons, entities, or property, caused or sustained by any person(s) as a result of the Contractor's performance or failure to perform pursuant to the terms of this Agreement or as a result of any subcontractors’ performance or failure to perform pursuant to the terms of this Agreement.

8. **INSURANCE:** The Contractor agrees to maintain insurance of the following types and amounts:

8.1. **Commercial General Liability Insurance:** to include products liability, completed operations, contractual, broad form property damage and personal injury.

8.1.1. Each Occurrence: $1,000,000

8.1.2. General Aggregate: $2,000,000

8.2. **Comprehensive Automobile Liability Insurance:** to include all motor vehicles owned, hired, leased, or borrowed.

8.2.1. Bodily Injury/Property Damage: $1,000,000 (each accident)

8.2.2. Personal Injury Protection: Per Colorado Statutes
8.3 Workers' Compensation Insurance: Per Colorado Statutes

8.4 Professional Liability Insurance: to include coverage for damages or claims for damages arising out of the rendering, or failure to render, any professional services, as applicable.

8.4.1 Each Occurrence: $1,000,000

8.4.2 This insurance requirement applies only to the Contractors who are performing services under this Agreement as professionals licensed under the laws of the State of Colorado, such as physicians, lawyers, engineers, nurses, mental health providers, and any other licensed professionals.

8.5 Adams County as “Additional Insured”: The Contractor's commercial general liability, and comprehensive automobile liability, insurance policies and/or certificates of insurance shall be issued to include Adams County as an "additional insured" and shall include the following provisions:

8.5.1 Underwriters shall have no right of recovery or subrogation against the County, it being the intent of the parties that the insurance policies so affected shall protect both parties and be primary coverage for any and all losses resulting from the actions or negligence of the Contractor.

8.5.2 The insurance companies issuing the policy or policies shall have no recourse against the County for payment of any premiums due or for any assessments under any form of any policy.

8.5.3 Any and all deductibles contained in any insurance policy shall be assumed by and at the sole risk of the Contractor.

8.6 Licensed Insurers: All insurers of the Contractor must be licensed or approved to do business in the State of Colorado. Upon failure of the Contractor to furnish, deliver and/or maintain such insurance as provided herein, this Agreement, at the election of the County, may be immediately declared suspended, discontinued, or terminated. Failure of the Contractor in obtaining and/or maintaining any required insurance shall not relieve the Contractor from any liability under this Agreement, nor shall the insurance requirements be construed to conflict with the obligations of the Contractor concerning indemnification.

8.7 Endorsement: Each insurance policy herein required shall be endorsed to state that coverage shall not be suspended, voided, or canceled without thirty (30) days prior written notice by certified mail, return receipt requested, to the County.

8.8 Proof of Insurance: At any time during the term of this Agreement, the County may require the Contractor to provide proof of the insurance coverage or policies required under this Agreement.

9. WARRANTY:

9.1 The Contractor warrants and guarantees to the County that all work, equipment, and materials furnished under the Agreement are free from defects in workmanship and materials for a period of one year after final acceptance by the County. The Contractor further warrants and guarantees that the plans and specifications incorporated herein are free of fault and defect sufficient for Contractor to warrant the finished product after completion date. Should the Contractor fail to proceed promptly in accordance with
this guarantee, the County may have such work performed at the expense of the Contractor. This section does not relieve the Contractor from liability for defects that become known after one year.

10. TERMINATION:

10.1. For Cause: If, through any cause, the Contractor fails to fulfill its obligations under this Agreement in a timely and proper manner, or if the Contractor violates any of the covenants, conditions, or stipulations of this Agreement, the County shall thereupon have the right to immediately terminate this Agreement, upon giving written notice to the Contractor of such termination and specifying the effective date thereof.

10.2. For Convenience: The County may terminate this Agreement at any time by giving written notice as specified herein to the other party, which notice shall be given at least thirty (30) days prior to the effective date of the termination. If this Agreement is terminated by the County, the Contractor will be paid an amount that bears the same ratio to the total compensation as the services actually performed bear to the total services the Contractor was to perform under this Agreement, less payments previously made to the Contractor under this Agreement.

11. MUTUAL UNDERSTANDINGS:

11.1. Jurisdiction and Venue: The laws of the State of Colorado shall govern as to the interpretation, validity, and effect of this Agreement. The parties agree that jurisdiction and venue for any disputes arising under this Agreement shall be with Adams County, Colorado.

11.2. Compliance with Laws: During the performance of this Agreement, the Contractor agrees to strictly adhere to all applicable federal, state, and local laws, rules and regulations, including all licensing and permit requirements. The parties hereto agree that they are familiar with § 18-8-301, et seq., C.R.S. (Bribery and Corrupt Influences), as amended, and § 18-8-401, et seq., C.R.S. The Contractor warrants that it is in compliance with the residency requirements in §§ 8-17.5-101, et seq., C.R.S. Without limiting the generality of the foregoing, the Contractor expressly agrees to comply with the privacy and security requirements of the Health Insurance Portability and Accountability Act of 1996 (HIPAA).

11.3. OSHA: The Contractor shall comply with the requirements of the Occupational Safety and Health Act (OSHA) and shall review and comply with the County’s safety regulations while on any County property. Failure to comply with any applicable federal, state or local law, rule, or regulation shall give the County the right to terminate this agreement for cause.

11.4. Record Retention: The Contractor shall maintain records and documentation of the services provided under this Agreement, including fiscal records, and shall retain the records for a period of three (3) years from the date this Agreement is terminated. Said records and documents shall be subject at all reasonable times to inspection, review, or audit by authorized Federal, State, or County personnel.
11.5. **Assignability:** Neither this Agreement, nor any rights hereunder, in whole or in part, shall be assignable or otherwise transferable by the Contractor without the prior written consent of the County.

11.6. **Waiver:** Waiver of strict performance or the breach of any provision of this Agreement shall not be deemed a waiver, nor shall it prejudice the waiving party's right to require strict performance of the same provision, or any other provision in the future, unless such waiver has rendered future performance commercially impossible.

11.7. **Force Majeure:** Neither party shall be liable for any delay or failure to perform its obligations hereunder to the extent that such delay or failure is caused by a force or event beyond the control of such party including, without limitation, war, embargoes, strikes, governmental restrictions, riots, fires, floods, earthquakes, or other acts of God.

11.8. **Notice:** Any notices given under this Agreement are deemed to have been received and to be effective: 1) Three (3) days after the same shall have been mailed by certified mail, return receipt requested; 2) Immediately upon hand delivery; or 3) Immediately upon receipt of confirmation that an E-mail was received. 11.10. **Severability:** If any provision of this Agreement is determined to be unenforceable or invalid for any reason, the remainder of this Agreement shall remain in effect, unless otherwise terminated in accordance with the terms contained herein.

12.2. **Extensions:** The County may, upon mutual written agreement by the parties, extend the time of completion of services to be performed by the Contractor.

13.5. The Contractor shall not use either the E-Verify Program or the Department Program procedures to undertake pre-employment screening of job applicants while this public contract for services is being performed.

13.6. If the Contractor obtains actual knowledge that a subcontractor performing work under this public contract for services knowingly employs or contracts with an illegal alien, the Contractor shall: notify the subcontractor and the County within three (3) days that the Contractor has actual knowledge that the subcontractor is employing or contracting with an illegal alien; and terminate the subcontract with the subcontractor if within three days of receiving the notice required pursuant to the previous paragraph, the subcontractor does not stop employing or contracting with the illegal alien; except that the Contractor shall not terminate the contract with the subcontractor if during such three (3) days the subcontractor provides information to establish that the subcontractor has not knowingly employed or contracted with an illegal alien.

Upon failure of the Contractor to furnish, deliver and maintain such insurance as provided herein, this contract, at the election of the County, may be immediately declared suspended, discontinued or terminated. Failure of the Contractor in obtaining and/or maintaining any required insurance shall not relieve the Contractor from any liability under the contract, nor shall the insurance requirements be construed to conflict with the obligations of the Contractor concerning indemnification.

RE: 2016.015 Blight Violation Services RFP

Introduction-

Abatement Services-Code Enforcement

GSCO Inc, dba Grounds Service Company, would like to thank you for the opportunity to submit our proposal for professional services for the Adams County related to: RFP 11-01CE. We want you to know that we remain committed to Best Management Practices in all aspects of our operations. We appreciate this opportunity to reintroduce ourselves and look forward to a working relationship with your city in the future.

Grounds Service Company was established in 1982 and incorporated as GSCO Inc. in 1988. Grounds Service Company has done work for many private and public entities over the years. We specialize in all aspects of commercial property maintenance including landscape, janitorial, trash removal, snow removal, and construction. Our company works with several metro-area municipalities for code enforcement abatement services on private properties. Company has 35 full-time employees during the summer season, and up to 8 can be assigned to your jobs.

Background

Grounds Service Company has been providing Weed Abatement Services since 1982. In the past 30 years, we have developed the experience and expertise to effectively mitigate weeds using hand tool work, tractor mowing and pesticide spraying. We are licensed with the Colorado Department of Agriculture for commercial weed spraying, are fully insured, participate in the Department Program for Public Contracts for Services and are in good standings with the Secretary of State of Colorado.

We have over twenty company owned trucks, including dump trucks for debris removal, tractor mowers of various sizes for large vacant lot abatements, 150 gallon chemical application sprayers and large supply of hand tools including weed trimmers. All equipment is regularly inspected for proper function and is open for your inspection at any time. We staff an in-shop mechanic. Additionally, whenever Grounds Service Co is awarded a contract, we acquire any additional equipment necessary to effectively maintain that contract.

Experience

481 E. 66th Avenue Denver, CO 80229. Office (303)455-5566 Fax (303) 455-5570
Grounds Service Company has a proven track record providing weed mitigation and currently provides services to the City of Lakewood, City of Englewood, Arapahoe County and the State of Colorado. These services include weed and brush abatement for code enforcement on commercial, residential, Town Right of Ways and undeveloped tracts of land using tractor preventive herbicide mowers and hand tools. Our personnel take special care while on private property.

Safety to employees and the public is Grounds Service Company’s first priority. To maintain a safe environment all vehicles will be equipped with proper safety lighting, signage, and safety cones. All employees will be wearing safety vests at all times, they will wear goggles for herbicide applications and protective gloves for clean-up. Pedestrians will be at a safe distance before all aspects of mechanical and chemical weed control commences.

We use a variety of cultural practices in dealing with water runoff which we have developed in all aspects of our company working with herbicides and fertilizers to reduce the potential of contaminated runoff. We are fully aware of special concerns while applying weed control in native land areas and ROWs, such as detention ponds, storm ditches, culverts and any other sources of ground water and we use BPMs (Best Management Practices) applicable to the sites. As a company, we make every effort possible to be in compliance with all state and federal regulations, and strive to be environmentally friendly.

Summary

At Grounds Service Company, all our managers and custodial technicians are equipped with cell phones; our office phone is staffed during business hours and is equipped with after hour emergency page-out ensuring that company personnel will be available 24 hours a day to assist with any needs, basic or urgent, that may arise in relation to this contract.

Grounds Service Company currently maintains membership with a variety of professional and trade associations such as Green Co, Associated Landscape Contractors of Colorado, Colorado Association of Lawn Care Professionals, Home Builders Association of Metro Denver and the Community Association Institute. We are licensed and insured. Our key personnel have extensive experience and knowledge working with city governments both out in the field and in the office. Our business manager utilizes electronic detailed service invoicing, including digital property documentation and electronic billing and payment. We are set up to accept VISA City P-Card.

Steven L Butler
