

ADAMS COUNTY, COLORADO
AMENDMENT ONE TO AGREEMENT 2015.109
FOR COUNTY WEBSITE REDESIGN

THIS AMENDMENT ONE TO PROFESSIONAL/PURCHASE OF SERVICE AGREEMENT 2015.109 is entered into this 2 day of MAY, 2017, by and between the Board of County Commissioners of Adams County, Colorado, located at 4430 South Adams County Parkway, Brighton, Colorado 80601, hereinafter referred to as the "County," and Neon Rain Interactive, located at 4350 Wadsworth Parkway, Wheat Ridge, Colorado 80233, hereinafter referred to as the "Contractor." The County and the Contractor may be collectively referred to herein as the "Parties".

RECITALS

WHEREAS, on September 1, 2015, the County entered into a Professional/Purchase of Service Agreement 2015.109 with Contractor; and,

WHEREAS, the County and the Contractor mutually desire to amend the Service Agreement to add costs to the agreement and to extend the term of the agreement.

NOW, THEREFORE, for the consideration set forth herein, the sufficiency of which is mutually acknowledged by the parties, the County and the Contractor agree as follows:

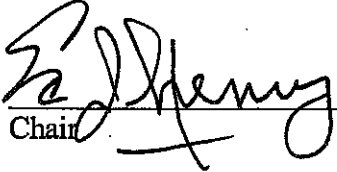

1. The Service Agreement is hereby amended to extend the term of the Agreement to expire September 1, 2017.
2. The fee schedule shall be amended to add \$27,851.34.
3. The Service Agreement and this Amendment One contain the entire understanding of the parties hereto and neither it, nor the rights and obligations hereunder, may be changed, modified, or waived except by an instrument in writing that is signed by both parties. Except as amended by this Amendment, and any prior amendment(s), the terms and conditions of the Agreement remain in full force and effect. In the event of any conflicts between the terms, conditions, or provisions of the Service Agreement and this Amendment One, the terms, conditions, and provisions of this Amendment One shall control.
4. The Recitals contained in this Amendment One are incorporated into the body hereof and accurately reflect the intent and agreement of the parties.
5. This Amendment One may be executed in multiple counterparts, each of which shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.
6. Nothing expressed or implied in this Amendment One is intended or shall be construed to confer upon or to give to, any person other than the parties, any right, remedy, or claim under or by reason of this Amendment One or any terms, conditions, or provisions

hereof. All terms, conditions, and provisions in this Amendment One by and on behalf of the County and the Contractor shall be for the sole and exclusive benefit of the County and the Contractor.

7. If any provision of this Amendment One is determined to be unenforceable or invalid for any reason, the remainder of the Amendment One shall remain in effect, unless otherwise terminated in accordance with the terms contained in the Service Agreement.
8. Each party represents and warrants that it has the power and ability to enter into this Amendment One, to grant the rights granted herein, and to perform the duties and obligations herein described.

IN WITNESS WHEREOF, the County and the Contractor have caused their names to be affixed.

PROJECT COMPONENTS

1. Look into contact emails.
2. Limit FAQs to display 5 on page with a view more option.
3. Update example for collapsible panel to control the style a little more.
4. Link at bottom of News Archives list to link to additional archives.
5. Search results are showing empty teasers. Update basic page and verify that departments are being indexed correctly.
6. Configure broken links report.
7. Notifications. Enable Twilio. If user is not logged in. Change links to create account links. - Adams County Government needs to enable account creation - Neon Rain to set up twilio - Neon Rain to enable account create links if they are not logged in
8. Go live support to help migrate the site to Adams County Government servers. □
9. Assist with adding additional file types when adding a document (.eps, .tiff, .tif, .xls, .xlsx, .ppt, .pptx). □
10. Requested to include panel box inside column for basic pages □
11. Single Sign on does not work (RFP requirement)
12. News Archives - missing content
13. Only some phone numbers are hyper link enabled - dependent upon correct spacing
14. Phone numbers at the bottom are not hyperlinked
15. Logos (Facebook) are not in color
16. Holiday - invalid dates (Delete all test content)
17. "Previous conversations indicate Adams should switch git remote origin from NeonRain to Drupal Core 7.x - Need info from NeonRain on proper procedure to switch to Drupal Core Git without causing compatibility problems."
18. Same as above. Develop procedure for updating themes and modules Should Adams use the Drupal Web Admin to perform updates or Git
19. Error in Drupal config report. The CTools CSS cache directory, ctools/css could not be created due to a misconfigured files directory. Please ensure that the files directory is correctly configured and that the webserver has permission to create directories.
20. "Popular searches does not decode encoded characters such as Spaces '%20'.
21. Error message - disable (red boxes)
22. Remove All "Test" Pages/Calendar Data
23. Images already uploaded can't be used again on a page (must upload a second time to use on a second page)
24. Sub-Navigation does not expand on hover (it is always expanded)
25. Can Menu Items be visible but not linked (headings) - Access to <none>
26. Code is need for Key Contacts
27. "Pre-populated "Popular Searches" are returning %20 - Debug: Chrome(mouse over and do not see %20); not in IE (mouse over; and see %20) -Tried different ways; intermittent issues"
28. Forms link to email addresses
29. Creation of additional Forms
30. Configuration Setting for Error Messages
31. Phone Numbers Not Linked (for Mobile Friendly)
32. Envelope icon in the footer is sending to CivicPlus
33. "Calendar Pages - Date update - September 5th 2016 - Right-Hand side changes"
34. Defaults to European Countries (effects States and Zip Codes)
35. Building Maps - error - Map of County Facilities
36. Search result - "Elected Officials" - object [Object]
37. Ensure all are protocol relative
38. Mobile devices - searches go to wrong content
39. iOS devices - do not respond to zoom gestures
40. "About Us" - Drop downs need to be the same width - Time field does not work; however the date field works
41. News - Left side - Contact - Contact Block
42. The video on the homepage only loads when user is logged into Drupal
43. Lots of [Object object] results appearing in the search results again
44. (minor) Word 'undefined' under each video on <http://staging.adccgov.org/Videos>
45. Quick Links
46. PDF on News Release page not being re-directed to Drupal
47. Archives - clean up
48. FAQ are not grouped (View All)
49. Photos - can we add a caption
50. Drupal - can we force password complexity requirements
51. Need to be able to upload ZIP files and can't (it is not an option).
52. Elected Officials (taxonomy page, created by Crystal) can't be seen unless logged into the system.
53. Change what is displayed in the breadcrumbs
54. When page names are changed are all links to the original page name updated
55. Can FAQs be limited to 4 or 5 per page (with the rest being displayed when you click more)
56. On the input-collapse-markup pages the style can't be changed.
57. I tried to make the items a "heading 2" and they remain a "heading 4".
58. If given a disc, can you upload (in mass) multiple documents (Archives)
59. Reports are not generating any results.
60. Contact Panel should show additional/suite on a new line, not on same line as street
61. When a document is uploaded to the system there is a list of categories. I have two questions: - If categories are removed, and a document is orphaned (is no longer assigned to a category) is the document is still searchable - add/remove categories to this list
62. When adding an event can the input time be 12-hour (a.m./p.m.) not 24-hour time. (Previously discussed, not sure if it ever made it to a list.)
63. When the time is displayed in an event it should appear as 2 p.m. not 2:00 p.m. (unless there is a half hour, e.g. 2:30 p.m.). (Previously discussed, not sure if it ever made it to a list.)
64. If you add an event, and do not include an end time, no time appears on the calendar. (NEW!)
65. An end time can't be added after the event has been added and saved (the event must be recreated). (NEW!)
66. "Calendar vs. events - if you go to today you will see two items for the BOCC. Neither of these items are appearing on the main page in the "Events" area."
