

**ADAMS COUNTY  
PROFESSIONAL SERVICE AGREEMENT**

THIS AGREEMENT ("Agreement") is made this 25 day of JULY 2017, by and between the Adams County Board of County Commissioners, located at 4430 South Adams County Parkway, Brighton, Colorado 80601, hereinafter referred to as the "County," and Iron Code Technologies Inc., located at 5856 South Lowell Blvd., Suite 32-224, Littleton, Colorado, 80123, hereinafter referred to as the "Contractor." The County and the Contractor may be collectively referred to herein as the "Parties".

The County and the Contractor, for the consideration herein set forth, agree as follows:

**1. SERVICES OF THE CONTRACTOR:**

- 1.1. All work shall be in accordance with the attached Grant Agreement 2015-VX-15-009682-17 referred to as Exhibit A, and incorporated herein by reference. Should there be any discrepancy between Exhibit A and this Agreement the terms and conditions of this Agreement shall prevail.
- 1.2. Emergency Services: In the event the Adams County Board of County Commissioners declares an emergency, the County may request additional services (of the type described in this Agreement or otherwise within the expertise of the Contractor) to be performed by the Contractor. If the County requests such additional services, the Contractor shall provide such services in a timely fashion given the nature of the emergency, pursuant to the terms of this Agreement. Unless otherwise agreed to in writing by the parties, the Contractor shall bill for such services at the rates provided for in this Agreement.

**2. RESPONSIBILITIES OF THE COUNTY:** The County shall provide information as necessary or requested by the Contractor to enable the Contractor's performance under this Agreement.

**3. TERM:**

- 3.1. Term of Agreement: The Term of this Agreement shall be from the date of the agreement through December 31, 2017.
- 3.2. Renewal Option: The County, at its sole option, may offer to renew this Agreement as necessary for up to two, one year renewals providing satisfactory service is given and all terms and conditions of this Agreement have been fulfilled. Such renewals must be mutually agreed upon in writing by the County and the Contractor.

**4. PAYMENT AND FEE SCHEDULE:** The County shall pay the Contractor for services furnished under this Agreement, and the Contractor shall accept as full payment for those services, an amount not to exceed two hundred fifty thousand dollars (\$250,000.00).

4.1. Payment pursuant to this Agreement, whether in full or in part, is subject to and contingent upon the continuing availability of County funds for the purposes hereof. In the event that funds become unavailable, as determined by the County, the County may immediately terminate this Agreement or amend it accordingly.

5. **INDEPENDENT CONTRACTOR:** In providing services under this Agreement, the Contractor acts as an independent contractor and not as an employee of the County. The Contractor shall be solely and entirely responsible for his/her acts and the acts of his/her employees, agents, servants, and subcontractors during the term and performance of this Agreement. No employee, agent, servant, or subcontractor of the Contractor shall be deemed to be an employee, agent, or servant of the County because of the performance of any services or work under this Agreement. The Contractor, at its expense, shall procure and maintain workers' compensation insurance as required by law. **Pursuant to the Workers' Compensation Act § 8-40-202(2)(b)(IV), C.R.S., as amended, the Contractor understands that it and its employees and servants are not entitled to workers' compensation benefits from the County. The Contractor further understands that it is solely obligated for the payment of federal and state income tax on any moneys earned pursuant to this Agreement.**

6. **NONDISCRIMINATION:**

6.1. **The Contractor shall not discriminate against any employee or qualified applicant for employment because of age, race, color, religion, marital status, disability, sex, or national origin. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices provided by the local public agency setting forth the provisions of this nondiscrimination clause. Adams County is an equal opportunity employer.**

6.1.1. The Contractor will cause the foregoing provisions to be inserted in all subcontracts for any work covered by this Agreement so that such provisions will be binding upon each subcontractor, provided that the foregoing provisions shall not apply to contracts or subcontracts for standard commercial supplies or raw materials.

7. **INDEMNIFICATION:** The Contractor agrees to indemnify and hold harmless the County, its officers, agents, and employees for, from, and against any and all claims, suits, expenses, damages, or other liabilities, including reasonable attorney fees and court costs, arising out of damage or injury to persons, entities, or property, caused or sustained by any person(s) as a result of the Contractor's performance or failure to perform pursuant to the terms of this Agreement or as a result of any subcontractors' performance or failure to perform pursuant to the terms of this Agreement.

8. **INSURANCE:** The Contractor agrees to maintain insurance of the following types and amounts:

- 8.5.1. Underwriters shall have no right of recovery or subrogation against the County, it being the intent of the parties that the insurance policies so affected shall protect both parties and be primary coverage for any and all losses resulting from the actions or negligence of the Contractor.
- 8.5.2. The insurance companies issuing the policy or policies shall have no recourse against the County for payment of any premiums due or for any assessments under any form of any policy.

Upon failure of the Contractor to furnish, deliver and/or maintain such insurance as provided herein, this Agreement, at the election of the County, may be immediately declared suspended, discontinued, or terminated. Failure of the Contractor in obtaining

and/or maintaining any required insurance shall not relieve the Contractor from any liability under this Agreement, nor shall the insurance requirements be construed to conflict with the obligations of the Contractor concerning indemnification.

Should the Contractor fail to proceed promptly in accordance with this guarantee, the County may have such work performed at the expense of the Contractor. This section does not relieve the Contractor from liability for defects that become known after one year.

## **11. TERMINATION:**

- 11.1. For Cause: If, through any cause, the Contractor fails to fulfill its obligations under this Agreement in a timely and proper manner, or if the Contractor violates any of the covenants, conditions, or stipulations of this Agreement, the County shall thereupon have the right to immediately terminate this Agreement, upon giving written notice to the Contractor of such termination and specifying the effective date thereof.
- 11.2. For Convenience: The County may terminate this Agreement at any time by giving written notice as specified herein to the other party, which notice shall be given at least thirty (30) days prior to the effective date of the termination. If this

Agreement is terminated by the County, the Contractor will be paid an amount that bears the same ratio to the total compensation as the services actually performed bear to the total services the Contractor was to perform under this Agreement, less payments previously made to the Contractor under this Agreement.

## **12. MUTUAL UNDERSTANDINGS:**

##### **A. Termination for Cause and/or Breach**

If Grantee fails to perform any of its obligations hereunder with such diligence as is required to ensure its completion in accordance with the provisions of this Grant and in a timely manner, the State may notify Grantee of such non-performance in accordance with the provisions herein. If Grantee thereafter fails to promptly cure such non-performance within the cure period, the State, at its option, may terminate this entire Grant or such part of this Grant as to which there has been delay or a failure to properly perform. **iii. Damages and Withholding**

Notwithstanding any other remedial action by the State, Grantee also shall remain liable to the State for any damages sustained by the State by virtue of any breach under this Grant by Grantee and the State may withhold any payment to Grantee for the purpose of mitigating the State's damages, until such time as the exact amount of damages due to the State from Grantee is determined. **iv. Removal**

**Demand removal of any of Grantee's employees, agents, or Subgrantees whom the State deems incompetent, careless, insubordinate, unsuitable, or otherwise unacceptable, or whose continued relation to this Grant is deemed to be contrary to the public interest or not in the State's best interest.**

Grantee shall be solely liable for paying such taxes as the State is prohibited from paying for or reimbursing Grantee for them.**

**M. Third Party Beneficiaries**

## **EXHIBIT A1 – SPECIAL CONDITIONS**

### **1. FUTURE FUNDING**

The capacity for VOCA, S.T.O.P. VAWA, and/or Sexual Assault Services Program (SASP) formula grant funds to provide future continuation dollars for projects is undetermined at this time. Grantee Agencies are advised to seek other funding sources, especially for personnel dollars.

2. Grantee Agency shall notify the Office for Victims Programs (OVP) if the agency has obtained funding for a specific (OVP) funded position that totals more than 100% of the cost for that position. The agency must resolve the allocation of funds to the satisfaction of the Division of Criminal Justice.

3. Grantee Agency must notify the Office for Victims Programs (OVP) immediately in writing, via email, regular mail or COGMS, as appropriate, of:

- any OVP grant funded personnel changes;
- any OVP grant funded position that is vacant for 45 days;
- any change of an Official and/or employee who is listed as responsible party on this OVP grant funded project.

### **4. STATE CONFIDENTIALITY OF VICTIMS INFORMATION**

The Grantee Agency certifies that the signing authorities, all staff and volunteers assigned to the project have read and understand, state laws and applicable rules of professional conduct related to issues of confidentiality and privilege, particularly with respect to releasing identifying information about victims of crime, include, but not limited to, those found in C.R.S. §13-90-107.

### **5. COLORADO VICTIM RIGHTS ACT (Applies to Government Agencies only)**

The Grantee Agency assures that the application signatories, all staff and all volunteers assigned to the funded project have read and understand the rights afforded to crime victims pursuant to §24-4.1-302.5 C.R.S., and the services delineated pursuant to §24-4.1-303 and 24-4.1-304 C.R.S., commonly known as the Victim Rights Act, and enabling legislation.

## **GRANTEE ORGANIZATION ELIGIBILITY REQUIREMENTS**

The Grantee Organization will comply with the conditions of Victims of Crime Act (VOCA) of 1984, sections 1404(a)(2), and 1404(b)(1) and (2), 42 U.S.C. 10603(a)(2) and (b)(1) and (2) (and the applicable program guidelines and regulations), as required. 1404 (b)(1) codified at 42 U.S.C. 10603(b). VOCA establishes eligibility criteria that must be met by all organizations that receive VOCA funds. These funds are to be awarded to grantees only for providing services to victims of crime through their staff. Each grantee organization shall meet the following requirements:

### **1. PUBLIC OR NONPROFIT ORGANIZATION**

To be eligible to receive VOCA funds, organizations must be operated by a public or nonprofit organization, or a combination of such organizations, and provide services to crime victims.

### **2. RECORD OF EFFECTIVE SERVICES**

Demonstrate a record of providing effective services to crime victims. This includes having the support and approval of its services by the community, a history of providing direct services in a cost-effective manner, and financial support from other sources.

### **3. NEW PROGRAMS**

Those programs that have not yet demonstrated a record of providing services may be eligible to receive VOCA funding, if they can demonstrate that 25-50 percent of their financial support comes from non-federal sources. It is important that organizations have a variety of funding sources besides federal funding in order to ensure their financial stability. States are responsible for establishing the base level of non-federal support required within the 25-50 percent range.

### **4. PROGRAM MATCH REQUIREMENTS**

The purpose of matching contributions is to increase the amount of resources available to the projects supported by grant funds. Matching contributions of 20% (cash or in-kind) of the total cost of each VOCA project (VOCA grant plus match) are required for each VOCA-funded project and must be derived from non-federal sources, except as provided in the DOJ Grants Financial Guide, effective edition (Part III. Post Award Requirements, Chapter 3. Matching or Cost Sharing). All funds designated as match are restricted to the same uses as the VOCA victim assistance funds and must be expended within the grant period. Match must be provided on a project-by-project basis. Any deviation from this policy must be approved by OVC.

For the purposes of this program, in-kind match may include donations of expendable equipment, office supplies, workshop or classroom materials, work space, or the monetary value of time contributed by professionals and technical personnel and other skilled and unskilled labor, if the services they provide are an integral and necessary part of a funded project. The value placed on donated services must be consistent with the rate of compensation paid for similar work in the subrecipient's organization. If the required skills are not found in the subrecipient's organization, the rate of compensation must be consistent with the labor market. In either case, fringe benefits may be included in the valuation. The value placed on loaned or donated equipment may not exceed its fair market value. The value of donated space may not exceed the fair rental value of comparable space as established by an independent appraisal of comparable space and facilities in privately owned buildings in the same locality.

a. **Record Keeping.** VOCA recipients and their subrecipients must maintain records that clearly show the source, the amount, and the period during which the match was allocated. The basis for determining the value of personal services, materials, equipment, and space must be documented. Volunteer services must be documented, and to the extent feasible, supported by the same methods used by the subrecipient for its own paid employees. The state has primary responsibility for subrecipient compliance with the requirements. State grantees are encouraged not to require excessive amounts of match.

b. **Exceptions to the 20% match:** OVC sets lower match requirements for:

i. **Native American Tribes/Organizations Located on Reservations.** The match for new or existing VOCA subrecipients that are Native American tribes/organizations located on reservations is 5% (cash or in-kind) of the total VOCA project. For the purpose of this grant, a Native American tribe/organization is defined as any tribe, band, nation, or other organized group or community which is recognized as eligible for the special programs and services provided by the U.S. to Native Americans because of their status as Native Americans. A reservation is defined as a tract of land set aside for use of, and occupancy by, Native Americans.

ii. The U.S. Virgin Islands, and all other territories and possessions of the U.S., except Puerto Rico, are not required to match VOCA funds. See 48 U.S.C. 1469a(d).

iii. OVC may waive the match requirement if extraordinary need is documented by State VOCA administrators.

## **5. VOLUNTEERS**

The Grantee Agency must use volunteers unless the state grantee determines there is a compelling reason to waive this requirement. A "compelling reason" may be a statutory or contractual provision concerning liability or confidentiality of counselor/victim information, which bars using volunteers for certain positions, or the inability to recruit and maintain volunteers after a sustained and aggressive effort.

**6. PROMOTE COMMUNITY EFFORTS TO AID CRIME VICTIMS**

Promote, within the community, coordinated public and private efforts to aid crime victims. Coordination may include, but is not limited to, serving on state, federal, local, or Native American task forces, commissions, working groups, coalitions, and/or multi-disciplinary teams. Coordination efforts also include developing written agreements that contribute to better and more comprehensive services to crime victims. Coordination efforts qualify an organization to receive VOCA victim assistance funds, but are not activities that can be supported with VOCA funds.

**7. HELP VICTIMS APPLY FOR COMPENSATION BENEFITS**

Such assistance may include identifying and notifying crime victims of the availability of compensation, assisting them with application forms and procedures, obtaining necessary documentation, and/or checking on claim status.

**8. COMPLY WITH FEDERAL RULES REGULATING GRANTS**

The Grantee Agency must comply with the applicable provisions of VOCA, the Program Guidelines, and the requirements of the DOJ Grants Financial Guide, effective edition, which includes maintaining appropriate programmatic and financial records that fully disclose the amount and disposition of VOCA funds received. This includes: financial documentation for disbursements; daily time and attendance records specifying time devoted to allowable VOCA victim services; client files; the portion of the project supplied by other sources of revenue; job descriptions; contracts for services; and other records which facilitate an effective audit.

**9. MAINTAIN CIVIL RIGHTS INFORMATION**

Maintain statutorily required civil rights statistics on victims served by race, national origin, sex, age, and disability, within the timetable established by the state grantee; and permit reasonable access to its books, documents, papers, and records to determine whether the subrecipient is complying with applicable civil rights laws. This requirement is waived when providing a service, such as telephone counseling, where soliciting the information may be inappropriate or offensive to the crime victim.

**10. COMPLY WITH STATE CRITERIA**

The Grantee Agency must abide by any additional eligibility or service criteria as established by the state grantee including submitting statistical and programmatic information on the use and impact of VOCA funds, as requested by the State grantee.

**11. SERVICES TO VICTIMS OF FEDERAL CRIMES**

The Grantee Agency must provide services to victims of federal crimes on the same basis as victims of state/local crimes.

**12. NO CHARGE TO VICTIMS FOR VOCA-FUNDED SERVICES**

The Grantee Agency must provide services to crime victims, at no charge, through the VOCA-funded project. Any deviation from this provision requires prior approval by the state grantee. Prior to authorizing subrecipients to generate income, OVC strongly encourages administrators to carefully weigh the following considerations regarding federal funds generating income for subrecipient organizations.

a. The purpose of the VOCA victim assistance grant program is to provide services to all crime victims regardless of their ability to pay for services rendered or availability of insurance or other third-party payment resources. Crime victims suffer tremendous emotional, physical, and financial losses. It was never the intent of VOCA to exacerbate the impact of the crime by asking the victim to pay for services.

b. State grantees must ensure that they and their subrecipients have the capability to track program income in accordance with federal financial accounting requirements. All VOCA-funded program and match income, no matter how large or small, is restricted to the same uses as the VOCA grant.

Program income can be problematic because of the required tracking systems needed to monitor VOCA-funded income and ensure that it is used only to make additional services available to crime victims. For example: VOCA often funds only a portion of a counselor's time. Accounting for VOCA program income generated by this counselor is complicated, involving careful record keeping by the counselor, the subrecipient (Grantee Agency) program, and the state.

**13. CLIENT – COUNSELOR CONFIDENTIALITY**

Maintain confidentiality of client-counselor information, as required by state and federal law.

**14. CONFIDENTIALITY OF RESEARCH INFORMATION**

Except as otherwise provided by federal law, no recipient of monies under VOCA shall use or reveal any research or statistical information furnished under this program by any person and identifiable to any specific private person for any purpose other than the purpose for which such information was obtained in accordance with VOCA. Such information, and any copy of such information, shall be immune from legal process and shall not, without the consent of the person furnishing such information, be admitted as evidence or used for any purpose in any action, suit, or other judicial, legislative, or administrative proceeding. See Section 1407(d) of VOCA codified at 42 U.S.C. 10604.

**These provisions are intended, among other things, to ensure the confidentiality of information provided by crime victims to counselors working for victim services programs receiving VOCA funds. Whatever the scope of application given this provision, it is clear that there is nothing in VOCA or its legislative history to indicate that Congress intended to override or repeal, in effect, a state's existing law governing the disclosure of information which is supportive of VOCA's fundamental goal of helping crime victims. For example, this provision would not act to override or repeal, in effect, a state's existing law pertaining to the mandatory reporting of suspected child abuse. (See *Pennhurst School and Hospital v. Halderman, et al.*, 451 U.S. 1 (1981).) Furthermore, this confidentiality provision should not be interpreted to thwart the legitimate informational needs of public agencies. For example, this provision does not prohibit a domestic violence shelter from acknowledging, in response to an inquiry by a law enforcement agency conducting a missing person investigation, that the person is safe in the shelter. Similarly, this provision does not prohibit access to a victim service project by a federal or state agency seeking to determine whether federal and state funds are being utilized in accordance with funding agreements.**

**15. Demographic Data**

**The grantee will collect and maintain information on race, sex, national origin, age, and disability of victims receiving assistance, where such information is voluntarily furnished by the victim.**

**16. Discrimination Findings**

**The grantee assures that in the event that a Federal or State court or Federal or State administrative agency makes a finding of discrimination after a due process hearing on the ground of race, religion, national origin, sex, or disability against a recipient of victim assistance formula funds under this award, the recipient will forward a copy of the findings to DCJ and the Office for Civil Rights of OJP.**

**17. Non-Profits**

All non-profit grantees of VOCA Assistance funding under this award are required to make their financial statements available online (either on the grantee's or another publicly available website). OVC will consider grantee organizations that have Federal 501(c)(3) tax status as in compliance with this requirement, with no further action needed, to the extent that such organization files IRS Form 990 or similar tax document (e.g., 990-EZ), as several sources already provide searchable online databases of such financial statements.

All non-profit grantees of VOCA Assistance funding under this award are required to certify their non-profit status. Grantees may certify their non-profit status by submitting a statement to DCJ (to be placed in the grant file) affirmatively asserting that the grantee is a non-profit organization, and indicating that it has on file, and available upon audit, either – 1) a copy of the grantee's 501(c)(3) designation letter; 2) a letter from the grantee's state/territory taxing body or state/territory attorney general stating that the grantee is a non-profit organization operating within the state/territory; or 3) a copy of the grantee's state/territory certificate of incorporation that substantiates its non-profit status. Grantees that are local non-profit affiliates of state/territory or national non-profits should have available proof of (1), (2) or (3), and a statement by the state/territory or national parent organization that the grantee is a local non-profit affiliate.

#### **E. Reporting Non-Compliance Resolution**

Grantee's failure to provide reports and other grant requirements, meet monitoring site visit evaluations and notify the State in a timely manner in accordance with §8 of the body of the grant agreement may result in the delay of payment of funds until a final resolution is determined and/or termination as provided under this Grant. The Division of Criminal Justice (DCJ) staff and the Grantee will mediate any non-compliance issues for a resolution. If DCJ staff and the Grantee cannot negotiate a resolution, the issue can be elevated to the Director of the DCJ for final resolution.

#### **4. CIVIL RIGHTS COMPLIANCE**

**The Grantee hereby agrees that it will comply, and all of its Subgrantees will comply, with the applicable provisions of:**

#### **A. MEETING THE EEOP REQUIREMENT**

Grantee acknowledges that failure to submit an acceptable Certification of Compliance with Regulations Regarding Civil Rights Requirements and Equal Employment Opportunity Plans (EEOP) -DCJ Form 30 may result in suspension of funding until such time as the grantee is in compliance, or termination of the award. Upon award, each Grantee will be required to do the following:

- (5) The Authorized Official must provide an original signature on the form as indicated;
- (6) The DCJ Form 30 with original signature must be returned to DCJ with the Grant Agreement; and,
- (7) A copy of the DCJ Form 30 must be forwarded to the Grantee personnel responsible for reporting civil rights findings of discrimination at your agency/organization.

DCJ will forward a copy to the Office for Civil Rights, Office of Justice Programs, U.S. Department of Justice.

#### **B. MEETING THE REQUIREMENT TO SUBMIT FINDINGS OF DISCRIMINATION**

If in the three years prior to the date of the grant award, your organization has received an adverse finding of discrimination based on race, color, national origin, religion, or sex, after a due-process hearing, from a state or federal court or from a state or federal administrative agency, your organization must send a copy of the finding to the DCJ within 45 days of receipt of this grant award. DCJ will forward a copy to the Office for Civil Rights (OCR) at federal awarding office (OJP or OVW).

#### **C. ENFORCING CIVIL RIGHTS LAWS**

All recipients of federal financial assistance, regardless of the particular funding source, the amount of the grant award, or the number of employees in the workforce, are subject to prohibitions against unlawful discrimination. Accordingly, the OCR investigates recipients that are the subject of discrimination complaints from both individuals and groups. In addition, based on regulatory criteria, the OCR selects a number of recipients each year for compliance reviews, audits that require recipients to submit data showing that they are providing services equitably to all segments of their service population and that their employment practices meet equal opportunity standards.

**D. COMPLYING WITH THE SAFE STREETS ACT**

An organization that is a recipient of financial assistance subject to the nondiscrimination provisions of the Safe Streets Act, must meet two obligations: (1) complying with the federal regulation pertaining to the development of an EEOP (see 28 C.F.R. pt. 42, subpt. E) and (2) submitting to the OCR findings of discrimination (see 28 C.F.R. §§ 42.204(c), .205(c)(5)).

**E. ENSURING ACCESS TO FEDERALLY ASSISTED PROGRAMS**

The Violence Against Women Reauthorization Act of 2013 amends the Violence Against Women Act of 1994 (VAWA) and includes a nondiscrimination grant condition that prohibits grantees from excluding, denying benefits to, or discrimination against any person on the basis on actual or perceived race, color, national origin, religion, sex, disability, sexual orientation, or gender identity in funded programs or activities, in whole or in part, not only in employment but also in the delivery of services or benefits.

Federal law also prohibits recipients from discriminating on the basis of age in the delivery of services or benefits.

**F. PROVIDING SERVICES TO LIMITED ENGLISH PROFICIENCY (LEP) INDIVIDUALS**

In accordance with DOJ guidance pertaining to Title VI of the Civil Rights Act of 1964, 42 U.S.C. § 2000d, recipients of federal financial assistance must take reasonable steps to provide meaningful access to their programs and activities for persons with limited English proficiency (LEP). See U.S. Department of Justice, Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons, 67 Fed. Reg. 41,455 (2002). For more information on the civil rights responsibilities that recipients have in providing language services to LEP individuals, please see the website <http://www.lep.gov>.

### **G. ENSURING EQUAL TREATMENT FOR FAITH-BASED ORGANIZATIONS**

The DOJ regulation, Equal Treatment for Faith-Based Organizations, 28 C.F.R. pt. 38, prohibits faith-based organizations from using financial assistance from the DOJ to fund inherently (or explicitly) religious activities. While faith-based organizations can engage in non-funded inherently religious activities, they must hold them separately from the program funded by the DOJ, and recipients cannot compel beneficiaries to participate in them. The Equal Treatment Regulation also makes clear that organizations participating in programs funded by the DOJ are not permitted to discriminate in the provision of services on the basis of a beneficiary's religion. For more information on the regulation, please see the OCR's website at [http://www.ojp.usdoj.gov/about/ocr/equal\\_fbo.htm](http://www.ojp.usdoj.gov/about/ocr/equal_fbo.htm).

Faith-based organizations should also note that the Omnibus Crime Control and Safe Streets Act (Safe Streets Act) of 1968, as amended, 42 U.S.C. § 3789d(c); the Victims of Crime Act of 1984, as amended, 42 U.S.C. § 10604(e); the Juvenile Justice and Delinquency Prevention Act of 1974, as amended, 42 U.S.C. § 5672(b); and VAWA, Pub. L. No. 113-4, sec. 3(b)(4), 127 Stat. 54, 61-62 (to be codified at 42 U.S.C. § 13925(b)(13)) contain prohibitions against discrimination on the basis of religion in employment. Despite these nondiscrimination provisions, the DOJ has concluded that it may construe the Religious Freedom Restoration Act (RFRA) on a case-by-case basis to permit some faith-based organizations to receive DOJ funds while taking into account religion when hiring staff, even if the statute that authorizes the funding program generally forbids recipients from considering religion in employment decisions. Please consult with the OCR if you have any questions about the regulation or the application of RFRA to the statutes that prohibit discrimination in employment.

### **H. USING ARREST AND CONVICTION RECORDS IN MAKING EMPLOYMENT DECISIONS**

The OCR issued an advisory document for recipients on the proper use of arrest and conviction records in making hiring decisions. See Advisory for Recipients of Financial Assistance from the U.S. Department of Justice on the U.S. Equal Employment Opportunity Commission's Enforcement Guidance: Consideration of Arrest and Conviction Records in Employment Decisions Under Title VII of the Civil Rights Act of 1964 (June 2013), available at [http://www.ojp.usdoj.gov/about/ocr/pdfs/UseofConviction\\_Advisory.pdf](http://www.ojp.usdoj.gov/about/ocr/pdfs/UseofConviction_Advisory.pdf). Recipients should be mindful that the misuse of arrest or conviction records to screen either applicants for employment or employees for retention or promotion may have a disparate impact based on race or national origin, resulting in unlawful employment discrimination. In light of the Advisory, recipients should consult local counsel in reviewing their employment practices. If warranted, recipients should also incorporate an analysis of the use of arrest and conviction records in their Equal Employment Opportunity Plans (EEOs).

### **I. ENSURING THE COMPLIANCE OF SUBGRANTEES**

**Grantee must have standard assurances to notify subgrantees of their civil rights obligations, written procedures to address discrimination complaints filed against subgrantees, methods to monitor subgrantees' compliance with civil rights requirements, and a program to train subgrantees on applicable civil rights laws.**

### **J. STUDENTS AND GUARDIANS**

**Grantee understands and agrees that award funds may not be used to discriminate against or denigrate the religious or moral beliefs of students who participate in programs for which financial assistance is provided from those funds, or of the parents or legal guardians of such students.**

## **5. FRAUD, WASTE, ERROR AND ABUSE**

### **A. REPORTING**

**The grantee and any subgrantees must promptly refer to the Department of Justice, Office of the Inspector General (OIG) any credible evidence that a principal, employee, agent, subgrantee, contractor, subcontractor, or other person has -- 1) submitted a claim for grant award funds that violates the False Claims Act; or 2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct involving grant award funds. ## **EXHIBIT B1 - STATEMENT OF WORK (Project Summary)**

### **Project Summary:**

Include a brief description of your project. (maximum length = 1,000 characters)

Grant funding allows the 17th JD DA Office to enhance the current prosecution database program (ACTION)notification process' and the delivery of services provided to VRA crime victims through the criminal justice process by contracting the professional services of the CDAC IT Dept. Grant funded ACTION enhancements will result in 1)Providing mono-Spanish language victims and transitory victims information regarding their statutory rights, criminal justice proceedings and case status, VIS and safety planning resources that are culturally and linguistically appropriate, timely and accurate; 2)Positively impacting the number of timely, complete and accurate court orders issued for restitution addressing the tangible financial losses incurred by victims that often detrimentally impact their recovery from a crime; 3) Increasing the delivery of direct victim-centered services by advocates based upon the needs of victims and service gaps identified through the statistical data tracking system.

### **Project Description:**

Describe how these nonrecurring one-time expenditures will support the expansion or enhancement of the delivery of services to crime victims. (maximum length = 6,500 characters)

This is a technology project for prosecution based victim advocacy services that will positively impact the ability of victims to meaningfully participate in criminal justice proceedings. All VRA crime victims will benefit from one, or more, of these enhancements. Funds are being requested to develop these one-time programming components through contracting for the professional services of the Colorado District Attorney's Council (CDAC) IT Dept because the requisite programming expertise and time required significantly exceeds current budgetary and personnel resources available in the 17th JD. The DA's Office maintains an IT Dept staffed by three full-time technicians to provide technological assistance to 166 employees; the office consistently rank as one of the top three busiest DA Offices for number of cases filed and trials conducted per year; DA Office IT Technicians do not have access to ACTION source code(s) necessary to implement any programming changes. ACTION was developed and is maintained solely by the CDAC IT Dept for 21 of 22 judicial district DA offices in the state. Five, out of six, CDAC IT Technicians are funded by the state and their time project-designated to develop the statutory mandated eDiscovery paperless filing system which began in 2014 and must be completed by October 31, 2016. Grant funded ACTION enhancements will be shared with all other interested judicial district DA offices after development and successful implementation in the 17th JD.

~ SPANISH LANGUAGE LETTERS: All notification letters and VIS will be translated and programmed to generate automatically when a case with a mono-Spanish speaking victim(s) is marked. Victims in this underserved population will have a clearer understanding of their statutory rights and how to request CVC assistance, restitution and prepare/present VIS.

~ EMAIL NOTIFICATION LETTER OPTION: Advocates report that victims often request email contact because it is easier for them to retain and retrieve information electronically. After a crime, victims are routinely deluged with paper materials, often from multiple service providers which include the DA Office. Trauma-informed service delivery recognizes that a victim's memory, organizational and ability to concentrate preclude their ability to find, remember and/or read printed materials. Email allows victims to maintain all case related information in a central location, which is readily accessible to the victim. Internet connections are increasingly available with many public Wi-Fi options and smart phones (with or without an associated data plan). A 2015 PEW study estimates that 64% of American adults now own a smartphone of some kind compared to 35% in 2011. A victim's email account can be password protected while mailed notifications of court proceedings and other cjs related materials can, and are, intercepted by the offender. Many victims experience address instability after a crime and email contact can be critical to providing victims the continuity of advocacy support and direct services necessary for them to remain engage with the cjs. Email contact can also expedite the delivery of information critical to a victim's safety and/or to ensure that a victim is able to exercise their statutory rights to appear and be heard in a cjs proceeding when changes in case status occur with little to no advanced notice.

~ RESTITUTION PLATFORM: Currently ACTION programming ability is limited to creating motions for the cost of prosecution. Enhancement of restitution programming will include creating motions and court-orders for restitution which are auto-filled from working spreadsheets that include the victim(s) name, case number, amount(s) owed, amount(s) paid by the victim and/or collateral sources. The working spreadsheet would be user-locked based upon user types, and would auto calculate interest pre-case disposition based upon the date of loss for each item. The 17th JD State Judicial and DA Office systems have transitioned to the statutorily mandated E-filing process; however,

because victims incur crime related losses over a period of time, the static nature of current programming precludes restitution advocates from being able to rely on ACTION to provide up-to-date and accurate crime loss information. Enhanced programming allows the maintenance of up-dated information in a central location for both restitution advocates and deputy district attorneys; increases the timely preparation of accurate restitution motions and orders and decreases the likelihood that restitution may be inadvertently missed in a case. ~ STATISTICAL DATA TRACKING SYSTEM: ACTION serves as the primary location for DA Office victim advocates to enter case related victim data, including follow-up contacts and services provided. However, ACTION is limited to only retention of this information, lacking the functionality to track and auto tabulate services delivered by type and frequency. Advocates hand tally their statistical data by hand for each service provided a victim in a completely separate Excel program, which decreases their time and availability to provide direct services to crime victims. It also increases the propensity of errors when producing cumulative data. This in turn negatively impacts the ability of VW Unit to accurately and timely identify service gaps or quantify funding requests to improve/expand services. Programming will allow for regression analysis for future statistical data needs which can be used to develop evidence based program services and funding requests. ~Federal Program Guidelines categorize the eligible services / purpose areas for use of VOCA grant funds, including this one-time funding opportunity. Utilizing these requested grant funds to enhance ACTION, the current victim notification system employed by the DA Office, positively impacts the ability of victims to participate in the criminal justice system in a manner that is meaningful to their situation and is designed to ensure that every victim is fully informed of their statutory rights. These outcomes are clearly aligned with the eligibility purpose area and allowable costs established in Section F of the Guidelines which sets forth allowable costs as expenses associated with helping victims participate in the criminal justice system and includes costs associated with projects devoted to restitution advocacy on behalf of specific crime victims.

CDAC ACTION Programming Prof Services	JUSTIFICATION FOR SOLE SOURCE CONTRACT REQUEST The request for grant funds to contract with the ...	\$250,000

## Professional Services / Consultants Details

**Item:** CDAC ACTION Programming Prof Services

**Budget Narrative and Justification:**

(maximum length = 5,000 characters)

#### JUSTIFICATION FOR SOLE SOURCE CONTRACT REQUEST

The request for grant funds to contract with the Colorado District Attorney's Council (CDAC) Information Technology department as the sole source contract for purposes of this grant request is outlined as follows.

- CDAC has been recognized, and funded, by the Colorado General Assembly as being the only source of centralized prosecution-related data base programming services for twenty-one of twenty-two DA Offices in the state.
- ACTION programming victim services enhancements cannot be added by local IT departments because the source code(s) required to do so are propriety to CDAC. Advocates in all DA Office Victim Witness Services Unit rely on the victim contact and case status information in ACTION to provide direct services.
- ACTION programming victim services enhancements must be designed and implemented by IT personnel with requisite ACTION access and knowledge to ensure that current programming is not negatively impacted.

CDAC currently has six programmers, one architect, one help desk, and one project manager/business analyst. In 2013 and 2014 Colorado Revised Statutes 16-9-701 and 16-9-702 were passed respectively mandating the implementation of an electronic discovery system (eDiscovery) to be developed and implemented by October 31, 2016. Upon passage of these statutes, state funds were allocated to CDAC for five designated programmers. Three of these programmers also assist with help desk items, general ACTION software and system maintenance for twenty-one district attorney offices.

#### PROFESSIONAL SERVICES CONSULTANT INFORMATION

The goals of this enhancement project require the attention of one full-time 40 hour/week designated programmer which currently exceeds current CDAC personnel and budgetary resources. Approved VOCA grant funds will be used to pay a sub-recipient full-time consultant hired by the CDAC IT Dept.

Qualifications for this consultant include, but will not be limited to:

- Minimum 6 years programming experience in the following:
- Development utilizing the .NET Framework using VB.NET or C#
- Full development life cycle
- Experience utilizing 3rd party controls such as Infragistics
- Database development in SQL Server 2008-2012 utilizing TSQL, table creation, stored procedures, triggers, indexes and other optimizations
- 3-tier architecture
- Web Services utilizing IIS
- Knowledge of the CSLA framework

#### PROFESSIONAL SERVICES CONSULTANT BUDGET NARRATIVE

Per Craig Evans, CDAC Chief Information Officer, current consulting rates for a programmer with the abilities listed above is @ \$125 to \$150/hour. This rate is based upon prior hiring of contract programmer by the CDAC IT Dept.

The estimated number of hours were calculated by Craig Evans based upon his knowledge of ACTION and review of the victim services enhancement priorities outlined in this grant application

#### PROFESSIONAL SERVICES CONSULTANT TIME REQUIRED:

2,000 hours for computer programming contractual sub-recipient

**PROFESSIONAL SERVICES CONSULTANT RATE OF PAY:**  
\$125 / hour rate of pay

2,000 x \$125 = \$250,000

#### JUSTIFICATION FOR SOLE SOURCE CONTRACT REQUEST

The request for grant funds to contract with the Colorado District Attorney's Council (CDAC) Information Technology department as the sole source contract for purposes of this grant request is outlined as follows.

- CDAC has been recognized, and funded, by the Colorado General Assembly as being the only source of centralized prosecution-related data base programming services for twenty-one of twenty-two DA Offices in the state.
- ACTION programming victim services enhancements cannot be added by local IT departments because the source code(s) required to do so are propriety to CDAC. Advocates in all DA Office Victim Witness Services Unit rely on the victim contact and case status information in ACTION to provide direct services.
- ACTION programming victim services enhancements must be designed and implemented by IT personnel with requisite ACTION access and knowledge to ensure that current programming is not negatively impacted.

CDAC currently has six programmers, one architect, one help desk, and one project manager/business analyst. In 2013 and 2014 Colorado Revised Statutes 16-9-701 and 16-9-702 were passed respectively mandating the implementation of an electronic discovery system (eDiscovery) to be developed and implemented by October 31, 2016. Upon passage of these statutes, state funds were allocated to CDAC for five designated programmers. Three of these programmers also assist with help desk items, general ACTION software and system maintenance for twenty-one district attorney offices.

#### PROFESSIONAL SERVICES CONSULTANT INFORMATION

The goals of this enhancement project require the attention of one full-time 40 hour/week designated programmer which currently exceeds current CDAC personnel and budgetary resources. Approved VOCA grant funds will be used to pay a sub-recipient full-time consultant hired by the CDAC IT Dept. Qualifications for this consultant include, but will not be limited to:

- Minimum 6 years programming experience in the following:
- Development utilizing the .NET Framework using VB.NET or C#
- Full development life cycle
- Experience utilizing 3rd party controls such as Infragistics
- Database development in SQL Server 2008-2012 utilizing TSQL, table creation, stored procedures, triggers, indexes and other optimizations
- 3-tier architecture
- Web Services utilizing IIS
- Knowledge of the CSLA framework

#### PROFESSIONAL SERVICES CONSULTANT BUDGET NARRATIVE

Per Craig Evans, CDAC Chief Information Officer, current consulting rates for a programmer with the abilities listed above is @ \$125 to \$150/hour. This rate is based upon prior hiring of contract programmer by the CDAC IT Dept.

The estimated number of hours were calculated by Craig Evans based upon his knowledge of ACTION and review of the victim services enhancement priorities outlined in this grant application
