If County requests such additional services, Contractor shall provide such services in a timely fashion given the nature of the emergency, pursuant to the terms of this Agreement. Unless otherwise agreed to in writing by the parties, Contractor shall bill for such services at the rates provided for in this Agreement.

2. **COMPLIANCE WITH C.R.S. § 8-17.5-101, ET. SEQ. AS AMENDED 5/13/08**

2.1. Pursuant to Colorado Revised Statute (C.R.S.), § 8-17.5-101, *et. seq.*, as amended 5/13/08, the Contractor shall meet the following requirements prior to signing this Agreement (public contract for service) and for the duration thereof:

2.2. The Contractor shall certify participation in the E-Verify Program (the electronic employment verification program that is authorized in 8 U.S.C. § 1324a and jointly administered by the United States Department of Homeland Security and the Social Security Administration, or its successor program) or the Department Program (the employment verification program established by the Colorado Department of Labor and Employment pursuant to C.R.S. § 8-17.5-102(5)) on the attached certification.

2.3. The Contractor shall not knowingly employ or contract with an illegal alien to perform work under this public contract for services.

2.4. The Contractor shall not enter into a contract with a subcontractor that fails to certify to the Contractor that the subcontractor shall not knowingly employ or contract with an illegal alien to perform work under this public contract for services.

2.5. At the time of signing this public contract for services, the Contractor has confirmed the employment eligibility of all employees who are newly hired for employment to perform work under this public contract for services through participation in either the E-Verify Program or the Department Program.

2.6. The Contractor shall not use either the E-Verify Program or the Department Program procedures to undertake pre-employment screening of job applicants while this public contract for services is being performed.

2.7. If Contractor obtains actual knowledge that a subcontractor performing work under this public contract for services knowingly employs or contracts with an illegal alien, the Contractor shall:
notify the subcontractor and the County within three days that the Contractor has actual knowledge that the subcontractor is employing or contracting with an illegal alien; and terminate the subcontract with the subcontractor if within three days of receiving the notice required pursuant to the previous paragraph, the subcontractor does not stop employing or contracting with the illegal alien; except that the contractor shall not terminate the contract with the subcontractor if during such three days the subcontractor provides information to establish that the subcontractor has not knowingly employed or contracted with an illegal alien.

2.8. Contractor shall comply with any reasonable requests by the Department of Labor and Employment (the Department) made in the course of an investigation that the Department is undertaking pursuant to the authority established in C.R.S. § 8-17.5-102(5).

2.9. If Contractor violates this Section II of this Agreement, the County may terminate this Agreement for breach of contract. If the Agreement is so terminated, the Contractor shall be liable for actual and consequential damages to the County.

3. **RESPONSIBILITIES OF THE COUNTY**

The County shall:

3.1. Provide information as to its requirements for the project.

3.2. Give prompt notice to the Contractor whenever the County observes or otherwise becomes aware of any defect in the project.

3.3. Provide reasonable assistance to the Contractor in obtaining approval from all governmental authorities having jurisdiction over the project, and such approvals and consents from such other individuals or bodies as may be necessary for completion of the project.

3.4. Furnish, or direct the Contractor to provide, at the County's expense, necessary additional services.

4. **TERM**

4.1. The work to be performed under this Agreement shall be for one hundred and twenty calendar days (120) after receipt of Notice to Proceed.

5. **PAYMENT AND FEE SCHEDULE**

5.1. The County shall pay the Contractor for services furnished under this Agreement, and the Contractor shall accept as full payment for those services, the sum of five million three hundred thirty-eight thousand six hundred and seventy dollars and sixty-nine cents ($5,338,670.69).

5.2. The Contractor shall maintain hourly records of time worked by its personnel to support any audits the County may require, and shall bill the County monthly for costs accrued during the
preceding month. Payments on these billings will be subject to estimates prepared by the Project Manager of the value of work performed and materials delivered and materials placed in accordance with the specifications. Upon submission of such billings to the County and approval by the Project Manager, payment shall be issued. It is understood and agreed that the County may require a maximum of thirty-one (31) days to process payment after receiving billing in proper form.

5.3. The County may deduct money from the partial payments in an amount necessary to protect the interests of the County, and is dependent upon the following:

5.3.1. If the Agreement is for one hundred fifty thousand dollars ($150,000) or more, the County shall withhold five percent (5%) of monthly partial payments until the contract is completed satisfactorily and finally accepted by the County. For Agreements less than one hundred fifty thousand dollars ($150,000), the County may withhold more than five percent (5%).

5.3.2. All money withheld pursuant to this section shall be retained by the County no more than thirty (30) days after the project has been completed to satisfaction and has been finally accepted by the County. If the County finds that satisfactory progress is being made in all phases of the Agreement, the County may, upon written request of the Contractor, authorize payment from the withheld percentage. Before such payment is made, the County shall determine that satisfactory and substantial reasons exist for the payment, and shall require written approval from any surety furnishing bonds for the work performed under the terms of this Agreement.

5.4. Fund Availability: The County has appropriated sufficient funds for this Agreement for the current fiscal year. Payment pursuant to this Agreement, whether in full or in part, is subject to and contingent upon the continuing availability of County funds for the purposes hereof. If funds become unavailable, as determined by the County, the County may immediately terminate this Agreement or amend it accordingly. To the extent allowed by the Colorado Taxpayer Bill of Rights and Title 29 of the Colorado Revised Statutes, the County represents that it has appropriated an amount of money for this Agreement that is at least equal to the contract price.

6. **LIQUIDATED DAMAGES**

6.1. The Contractor agrees that time is of the essence in the performance of this Agreement. If the Contractor is delayed for any reason beyond its control, the Contractor shall submit the reason for the delay in writing to the Project Manager who shall decide whether it sufficiently justifies an extension of the completion date.

6.2. All decisions of the Project Manager are at his/her complete discretion and will be final.

6.3. Time is of the essence in the performance of this Agreement. In the event the Contractor shall fail to complete all the work to be performed by the completion time aforementioned, the Contractor shall pay to the County as and for liquidated damages, not as a penalty, the applicable sum set forth in the schedule below, for each and every calendar day that the Contractor shall be in default. 6.4. Any deduction assessed as liquidated damages under this section shall not relieve the Contractor from liability for any damages or costs resulting from delays to other contractors on the job or to other projects caused by a failure of the Contractor to complete the work according to the agreed time.

6.5. Any extension(s) of the completion date authorized by the Project Manager pursuant to this section shall not relieve the Contractor from liability for any damages or costs resulting from delays to other contractors on the job. The Contractor agrees to indemnify and hold the County harmless from any claim against the County resulting from the Project Manager authorizing an extension of the completion date or from the Contractor’s failure to complete this Agreement by the completion date aforementioned.

6.6. Permitting the Contractor to continue and finish the work, or any part thereof, after elapse of the agreed time will not operate as a waiver on the part of the County of any of its rights under this Agreement.

7. DAMAGES ARISING FROM BREACH OF PERFORMANCE OBLIGATIONS

7.1. Notwithstanding anything else set forth in this Agreement, if Contractor fails to comply with all terms of this contract, including but not limited to, its obligation to perform its work in a workmanlike manner in accordance with all codes, plans, specifications and industry standards, Contractor shall be liable to County for all damages arising from the breach, including but not limited to, all attorney fees, costs and other damages.

8. WARRANTY

8.1. The Contractor warrants and guarantees to the County that all work, equipment, and materials furnished under the Agreement are free from defects in workmanship and materials for a period of one year after final acceptance by the County. The Contractor further warrants and guarantees that the plans and specifications incorporated herein are free of fault and...
defect sufficient for Contractor to warrant the finished product after completion date. Should the Contractor fail to proceed promptly in accordance with this guarantee, the County may have such work performed at the expense of the Contractor. This section does not relieve the Contractor from liability for defects that become known after one year.

9. **SUBCONTRACTING**

9.1. The Contractor may utilize the services of subcontractors on those parts of the work that would normally be performed by subcontractors. But the Contractor shall not subcontract any portion of the work until the written approval of such action has been obtained from the Project Manager. The Contractor shall be fully responsible to the County for the acts and omissions of its subcontractors and their employees.

10. **CHANGE ORDERS OR EXTENSIONS**

10.1. The County may, from time to time, require changes in the scope of the services of the Contractor to be performed herein including but not limited to additional instructions, additional work, and the omission of work previously ordered. The Contractor shall be compensated for all authorized changes in services, pursuant to the applicable provision in the Invitation to Bid, or, if no provision exists, pursuant to the terms of a Change Order. No Change Order shall be issued unless the County has appropriated sufficient funds to pay for the Change Order in the event the amount due pursuant to the Agreement as altered by the Change Order would result in the total contract price exceeding the amount originally appropriated by the County for the Agreement.

10.2. The County may, upon mutual written agreement by the parties, extend the time of completion of services to be performed by the Contractor.

11. **INSPECTIONS, REVIEWS AND AUDITS**

11.1. When the work is completed, the Contractor shall file a written notice with the Project Manager that the work, in the opinion of the Contractor, has been finished. Within ten (10) days after the Contractor files the written notice, the Project Manager and the Contractor shall make a final inspection of the project to determine whether all of the work has been completed in accordance with this Agreement and with all documents incorporated herein. A final list shall be made by the County, in sufficient detail to fully outline to the Contractor the following items:

11.1.1. Work to be completed, if any; and,

11.1.2. Work not in compliance with the Agreement, if any; and,

11.1.3. Unsatisfactory work for any reason, if any.

11.2. The County shall not authorize final payment until all items on the list, if any, have been completed to the satisfaction of the Project Manager.

12. **CLEAN-UP**

12.1. The Contractor shall frequently clean up all refuse or scrap materials resulting from the progress of the work. Upon completion of the work and prior to final inspection, the Contractor
shall remove from the construction site and occupied adjoining property all refuse, unused materials, forming lumber, sanitary facilities, and any other materials belonging to the Contractor or subcontractors. Failure of the Contractor to clean up and restore the site satisfactorily will result in the County doing so. The cost will be charged to the account of the Contractor or his/her surety.

13. PROJECT ADMINISTRATION

13.1. The Project Manager for this Agreement shall be René Valdez, who can be reached by phone at 720-523-6961. The Project Manager does not have the authority to alter or modify the terms of this Agreement.

13.2. The Project Manager is designated by the County to exercise authority on its behalf under this Agreement, and to see that it is performed according to its terms. The Project Manager shall furnish all explanations or directions and inspections necessary to carry out and complete satisfactorily the services contemplated and provided for under this Agreement. The Project Manager shall also approve all report formats and related procedures, and shall be responsible for final acceptance of all work performed. Any conflict between the plans or specifications, and any other document incorporated herein, shall be submitted in writing to the Project Manager for review and determination.

13.3. If the Contractor considers any work demanded to be outside the Agreement requirements, or considers any determination of the Project Manager to be unfair, the Contractor shall immediately ask for a written instruction or decision from the Project Manager and shall proceed to perform the services to conform to the Project Manager’s determination. If the Contractor considers such instructions or decision to be unsatisfactory, it shall, within five (5) days after their receipt, file a written protest with the Adams County Purchasing Office stating the objections and the reasons therefore. Unless protests or objections are made in the manner specified and within the time limit stated herein, the Contractor hereby waives all grounds for protests.

13.4. All claims, disputes, and other matters in question arising out of or relating to the Agreement documents or breach thereof between the Project Manager and the Contractor shall be submitted to the Adams County Purchasing Office.

14. NONDISCRIMINATION

14.1. The Contractor shall not discriminate against any employee or qualified applicant for employment because of age, race, color, religion, marital status, disability, sex, or national origin. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices provided by the local public agency setting forth the provisions of this nondiscrimination clause.

14.1.1. The Contractor will cause the foregoing provisions to be inserted in all subcontracts for any work covered by this Agreement so that such provisions will be binding upon each subcontractor, provided that the foregoing provisions shall not apply to contracts or subcontracts for standard commercial supplies or raw materials.
15. **INDEPENDENT CONTRACTOR**

15.1. In providing services under this Agreement, the Contractor acts as an independent contractor and not as an employee of the County. The Contractor shall be solely and entirely responsible for his/her acts and the acts of his/her employees, agents, servants, and subcontractors during the term and performance of this Agreement. No employee, agent, servant, or subcontractor of the Contractor shall be deemed to be an employee, agent, or servant of the County because of the performance of any services or work under this Agreement. The Contractor, at its expense, shall procure and maintain workers' compensation insurance as required by State law and personal injury and property damage insurance in the coverage amounts as described in Section XIV. **Pursuant to the Workers' Compensation Act § 8-40-202(2)(b)(IV), C.R.S., as amended, the Contractor understands that it and its employees and servants are not entitled to workers' compensation benefits from the County. The Contractor further understands that it is solely obligated for the payment of federal and state income tax on any moneys earned pursuant to this Agreement.**

16. **INDEMNIFICATION**

16.1. The Contractor agrees to indemnify and to hold the County and its agents harmless for, from, and against any and all claims, suits, expenses, damages or other liabilities, including reasonable attorney fees and court costs, arising out of damage or injury to persons or property caused or sustained by any person, persons, or entities as a result of the performance or failure of the Contractor, its agents or employees, or any subcontractor to provide services pursuant to the terms of this Agreement.

17. **INSURANCE**

17.1. The Contractor shall furnish a certificate of insurance for commercial general liability, comprehensive automobile liability, workers' compensation, and professional liability upon notification of award and prior to performance. Work shall not commence under this Agreement until the Contractor has submitted to the County, and received approval thereof, the certificate of insurance showing compliance with the following types and coverage of insurance.

17.1.1. **Commercial General Liability Insurance:** to include products liability, completed operations, contractual, broad form property damage, and personal injury.

   - Each Occurrence: $1,000,000
   - General Aggregate: $2,000,000

17.1.2. **Comprehensive Automobile Liability Insurance:** to include all motor vehicles owned, hired, leased, or borrowed.

   - Bodily Injury/Property Damage: $1,000,000 (each accident)
   - Personal Injury Protection: Per Colorado Statutes

17.1.3. **Workers' Compensation Insurance:** Per Colorado Statutes
17.1.4. **Professional Liability Insurance**: to include coverage for damages or claims for damages arising out of the rendering, or failure to render, any professional services.

Each Occurrence $1,000,000

*This insurance requirement applies only to Contractors who are performing services under this Agreement as professionals licensed under the laws of the State of Colorado, such as physicians, lawyers, engineers, nurses, mental health providers, and any other licensed professionals.

17.2. The Contractor's commercial general liability, comprehensive automobile liability, workers' compensation, and professional liability insurance policies and/or certificates of insurance shall be issued to include Adams County and the Colorado Department of Transportation (CDOT) as an "additional insured" and shall include the following provisions:

17.2.1. Underwriters shall have no right of recovery or subrogation against the County, it being
the intent of the parties that the insurance policies so affected shall protect both parties
and be primary coverage for any and all losses resulting from the actions or negligence
of the Contractor.

17.2.2. The insurance companies issuing the policy or policies shall have no response against
the County for payment of any premiums due or for any assessments under any form of
any policy.

17.2.3. Any and all deductibles contained in any insurance policy shall be assumed by and at
the sole risk of the Contractor.

17.3. If any of the said policies shall be or at any time become unsatisfactory to the County as to
form or substance, or if a company issuing any such policy shall be or at any time becomes
unsatisfactory to the County, the Contractor shall promptly obtain a new policy, submit the
same to the Purchasing Agent of Adams County for approval, and thereafter submit a
certificate of insurance as herein provided. Upon failure of the Contractor to furnish, deliver,
and maintain such insurance as provided herein, this Agreement, at the election of the County,
may be immediately declared suspended, discontinued, or terminated. Failure of the
Contractor to obtain and/or maintain any required insurance shall not relieve the Contractor
from any liability under the Agreement, nor shall the insurance requirements be construed to
conflict with the obligations of the Contractor concerning indemnification.

17.4. If the Contractor is a Joint Venture, then the respective parties thereto are each individually
held fully responsible for completion of the project according to the terms of this Agreement.
The parties thereto also have joint and several liabilities to the County for any liquidated
damages assessed or for performance bond claims against the Joint Venture. The performance
bond and all insurance required by this Agreement shall set forth the identity of each party to
the Joint Venture.

**18. TERMINATION**

18.1. **Termination of Agreement for the Convenience of the County**: The County, at its sole option
and discretion, may terminate this Agreement at any time by giving written notice to the
Contractor of such termination and specifying the effective date thereof, at least fifteen days

2018.402 Street Paving Project/Martín Marietta Materials, Inc.
before the effective date of termination. If the Agreement is terminated by the County, the Contractor will be paid an amount which bears the same ratio to the total compensation as the services actually performed bear to the total services of the Contractor covered by this Agreement, less payments of compensation previously made.

18.2. **Termination of Agreement for Cause:** If, through any cause, the Contractor shall fail to fulfill its obligations under this Agreement in a timely and proper manner, or if the Contractor shall violate any of the covenants, agreements, or stipulations of this Agreement, the County shall thereupon have the right to immediately terminate this Agreement upon giving written notice to the Contractor of such termination and specifying the effective date thereof.

18.3. **Ownership of Partially Completed Work:** All work accomplished by the Contractor prior to the date of such termination shall be recorded and tangible work documents shall be transferred to and become the sole property of the County prior to payment for services rendered.

18.4. **Notwithstanding the above,** the Contractor shall not be relieved of liability to the County for damages sustained by the County by virtue of any breach of the Agreement by the Contractor and for the purposes of setoff until such time as the exact amount of damages due the County from the Contractor is determined.

19. **BONDING:**

19.1. The Contractor shall secure a Performance Bond and a Payment Bond each in the amount of one hundred percent (100%) of the Agreement price with a corporate surety approved by the County and licensed to do business in the State of Colorado, said bonds to be released at the sole discretion of the County.

20. **MUTUAL UNDERSTANDINGS**

20.1. **Jurisdiction and Venue:** The laws of the State of Colorado shall govern as to the interpretation, validity, and effect of this Agreement. The parties agree that venue and jurisdiction for disputes regarding performance of this Agreement are with the District Court of Adams County, Colorado.

20.3. **Record Retention:** The Contractor shall maintain records and documentation of the services provided under this Agreement, including fiscal records, and shall retain the records for a period of three (3) years from the date this Agreement is terminated. Said records and documents shall be subject at all reasonable times to inspection, review, or audit by authorized federal, state, or county personnel.

20.4. **Assignability:** Neither this Agreement, nor any rights hereunder, in whole or in part, shall be assignable or otherwise transferable by the Contractor without the prior written consent of the County.

20.5. **Waiver:** Waiver of strict performance or the breach of any provision of this Agreement shall not be deemed a waiver, nor shall it prejudice the waiving party’s right to require strict performance of the same provision, or any other provision in the future, unless such waiver has rendered future performance commercially impossible.

20.6. **Force Majeure:** Neither party shall be liable for any delay or failure to perform its obligations hereunder to the extent that such delay or failure is caused by a force or event beyond the control of such party including, without limitation, war, embargoes, strikes, governmental restrictions, riots, fires, floods, earthquakes, or other acts of God.

PROGRAM NUMBER: IMP 2017-00012

The 2018.402 Street Paving Program (the Program) is improving the County’s paved streets that have been identified as priorities for rehabilitation. The Program is a significant street maintenance project with approximately 45 lane miles in five different areas in unincorporated Adams County. The project area maps in the construction plans identify the work locations.

The scope of work for the project shall include, but are not limited to:

- Provide public information services in regards to construction and traffic control
- Obtain all necessary permits
- Provide traffic control
- Provide erosion and sediment control
- Asphalt milling and overlay as directed by the County
- Asphalt patching as directed by the County
- Remove and replace curb ramps, curbs, gutters, and sidewalks as directed by the County
- Adjust manhole, valve box, and meter
- Provide construction surveying, reset survey monument boxes as needed
- Provide pavement markings

It is recommended that bidders on this project review all work areas.

The Contractor has 120 calendar days to finish the project after the “Notice to Proceed” is given. Failure to complete the project by this date, or an extended date approved by the County, will result in liquidated damages being assessed.

The Project has funding limits. If the low bid exceeds the budget allocated, the County will adjust the quantities listed in the Bid Schedules to meet the budget and ensure critical areas are completed in this project. No bid unit price adjustment will be allowed after the bid opening, even if quantities are reduced.

The only representative of the County with the authority to provide additional information, clarification, or interpretation regarding the specifications, and any other contract documents or requirements is the Contract Administrator.

SPECIAL INSTRUCTIONS

Bids may be mailed or delivered in person to the County’s Contract Administrator, but must be in a sealed envelope. No bids will be accepted after the time and date established above, except by written addenda.

Issuance of this invitation does not commit Adams County to award any contract or to procure or contract for any equipment, materials, or services.

One (1) Compact Disc (CD) and two (2) copies of the Bid Proposal; Bid Summary and associated Bid Schedules; and list of proposed subcontractors identifying responsibilities are required. Single copies of the original Bid Bond will be accepted and, if requested, any brochures or other supportive documents.

The Bid Summary must be signed.

Each Bid Proposal must be accompanied by a Bid Bond (or Certified Check, payable to Adams County) for at least five percent (5%) of the total amount of the Bid.

Whenever addenda are required, they must be acknowledged on the Bid Summary in the appropriate space so designated.

Bid Proposals cannot be withdrawn after the date and hour set for bid opening.
In submitting a Bid Proposal, bidder agrees that acceptance of any or all bids by the County’s Purchasing Agent within a reasonable time or period constitutes a Contract. No delivery shall become due or be accepted unless a purchase order shall first have been issued by the Purchasing Department.

The County assumes no responsibility for late deliveries of mail on behalf of the United States Post Office, or other parcel carriers.

The County assumes no responsibility for failure of any telephone equipment, either within its facilities or from outside causes.

The County assumes no responsibility for quotations being either opened early or improperly routed if the project name and project number are not clearly marked on the outside of the envelope, as indicated above.

In the event of a situation severe enough to cause the Adams County Board of Commissioners to close an Adams County office for any reason, the County’s Purchasing Agent has the prerogative of moving the bid opening location or rescheduling the bid opening time and date. No bidder will be considered above all other bidders by having met the bid opening time and date requirements to the exclusion of those who were unable to present their bid due to a situation severe enough to cause the Commissioners to close an Adams County office.

Bids must be furnished on the forms as supplied by Adams County. Failure to bid on the forms provided will be cause for rejection of the bid.

As soon as each Bid Proposal, Bid Summary, Bid Schedules, Bid Bond and other required information have been checked compared and evaluated, the County will return the bonds of all except the three lowest responsible bidders. The lowest responsible bidder will be asked to provide a surety bond and a performance bond and will be provided an Agreement for signature. The Bid Bond (or Certified Check) from the next two lowest responsible bidders will be retained until an Agreement, surety bond, and performance bond have been executed or approved by the County. After such time their Bid Bond (or Certified Check) will be returned.

A performance bond and surety bond, each in a penal sum equal to the nearest integral One Hundred Dollars in excess of the estimated Contract Price with corporate surety approved by the County, will be requested for faithful performance of the Contract. The Agreement shall be signed by the successful bidder and returned, together with the performance bond and surety bond within ten (10) days after the date of the award.

Bids must be furnished exclusive of taxes.

No award will be made to any person, firm, or corporation that is in arrears upon any obligation to the County or the District.

Bidders are invited to be present at the bid opening to make their own tabulation of the bid or to observe the proceedings.
If submitting a joint venture bid or a bid involving a partnership arrangement, articles of partnership stating each partner’s responsibilities shall be furnished and submitted with the bid.

The County reserves the right to waive any irregularities or informalities, and the right to accept or reject any and all bids, including but not limited to: any bid which does not meet bonding requirements; or bids which do not furnish the quality, or offer the availability of materials, equipment or services as required by the specifications, description or scope of services; or bids from bidders who lack experience or financial responsibility; or bids which are not to form; or to award bids to the lowest and most responsive and responsible bidder; or to require new bids.

Surety companies executing bid and performance bonds must appear on the Treasury Department's most current list (Circular 570 as amended) and be authorized to transact business in the State of Colorado.

The Board of County Commissioners may rescind the award of any bid within one week thereof or at its next regularly scheduled meeting, whichever is later, when the public interest will be served thereby.

Only sealed bids received by the Purchasing Department will be accepted; bids submitted by telephone, fax machine, or telegram are not acceptable.

The County does not assume any responsibility for errors or misinterpretations resulting from the use of incomplete sets of bidding documents.

In making copies of the bidding documents available on the above terms, the County does so only for the purpose of obtaining bids on the work and does not confer a license of grant for use.
