

Spark a Career in the Booming Electrical Industry!

FREE Virtual Career Fair

Wednesday, April 14

3pm - 5:30pm

Register at: ElectricJobFair.com

Several great electrical contractors, manufacturers, distribution, and supply companies are **HIRING NOW** across the **entire State of Colorado** for a variety of **in-demand positions** including electrical apprentices, drivers, warehouse workers, and more.

This is an **excellent opportunity** for job seekers, from **entry-level to experienced**, to:

- **Meet** one-on-one with employers
- **Explore** the many different positions available
- **Discover** opportunities for career advancement
- **Learn** about becoming an electrical apprentice

Colorado's electrical industry is open and available to everyone including:

- Women & minority populations
- Immigrants
- Persons who are justice involved and seeking a second chance
- Veterans & people over 50
- & anyone who is interested in learning the trade and doing the work!

How to attend the Virtual Career Fair:

- [Register online](http://ElectricJobFair.com) to receive a link via email to the *Premier Virtual* platform
- On the day and time of the event access the emailed link to attend

This **STATEWIDE Career Fair** is co-hosted by:
