-Make sure all security patches are up Shields Up campaign - <https://www.cisa.gov/shields-up>

Good Morning. Chemical Security Inspector David Grisenti [david.grisenti@hq.dhs.gov](mailto:david.grisenti@hq.dhs.gov). CFATS note: Ensure if you have been notified to update the site security plan or ASP to implement PSP to ensure that when that has been approved your facility has 60 days to input the personal identifiable information. Also, a reminder that when chemical holdings quantities already reported to DHS via Top Screen increase beyond what was reported there is a 60 day requirement to update the Top Screen. If you have any questions, feel free to reach out to me via Email.

**Fran retiring June 30<sup>th</sup>. – Congratulations!**
