Describe Why You Want to Serve on the Retirement Board:

I've always had an interest in personal finance and have managed my own investments for years with better than average results. As I approach retirement age, my interest in retirement planning has grown considerably and I have spent more and more time educating myself in all aspects of this subject. With that, I have a vested interest in ensuring that our retirement funds are being managed prudently.

Describe Why You Are Qualified to Serve on the Board of Retirement:

I serve as a Senior Budget Analyst here at Adams County. My career in the field of Budget and Accounting spans almost 40 years. I've spent the last 20 years or so in county government doing this type of work but also have experience in insurance, real estate, and audit. Just as I have provided financial analysis support to leadership over the years, I will use these same skills to assist the Board in making wise decisions.
