

	APPENDIX E – COOPERATIVE, SINGLE AND SOLE PURCHASES	Approval Date 10/31/12
	DIVISION AND POLICY NUMBER PURCHASING	Revision Date 1/5/2016

A key responsibility of the Purchasing Division is to develop and manage programs, services and resources as efficiently and effectively as possible and to communicate the results of these efforts to the taxpaying public. There are many goods and services that Adams County has consolidated or standardized to maximize value. These may be either Adams County negotiated Agreements, State of Colorado Agreements, Multiple Assembly of Procurement Officials (MAPO) and/or any other cooperative Agreements made available to Adams County. We encourage our employees to purchase through these Agreements whenever possible. Listed below is an overview of the contracts that are most used throughout Adams County. For additional information on how to purchase these products or services, contact the Purchasing Division staff. Information on the extended list of Agreements and commodities is available on the state web site:
