<i>Workshop Descriptions</i>
<b>Adams County Job Club:</b> Job seekers network with peers, provide support to one another, talk about challenges and successes, and practice more intensive job preparedness skills.
<b>Career Exploration:</b> Conduct a thorough self-analysis and learn about assessments that can help you identify a career path that will be a great fit for YOU!
<b>Communication:</b> Learn the tools you need to communicate more effectively in interviews and the workplace.
<b>Conflict Resolution Strategies:</b> Many of us don't handle conflict so well. Learn how to build stronger relationships and create greater success by effectively managing and resolving conflict.
<b>Connecting Colorado:</b> Add to your job-searching tool box by learning how to effectively utilize the database used by all Workforce Centers in the state to connect job seekers with employers.
<b>Cover Letter:</b> Learn strategies for a targeted cover letter that gives you an edge in your job search.
<b>Critical Thinking:</b> Learn how to effectively analyze and solve work problems, develop more and better ideas, make fewer mistakes, and get more out of training and other learning opportunities on the job.
<b>Elements of Networking:</b> Understand the basics of networking and how to leverage yours for successful job search.
<b>Financial Literacy:</b> Regain financial confidence when you join us each week to learn more about budgeting, credit, managing financial stress, and eating well on a budget.
<b>Interview Strategies:</b> Come explore strategies for a successful interview. Develop success stories, research companies, and understand proper follow up steps.
<b>Job Development Prep Class:</b> Learn how the Job Development program works to connect you with employers as well as best practices for your job search.
<b>Job Searching with a Criminal Background:</b> This workshop addresses how to discuss your criminal background with confidence and to reframe past mistakes into current strengths.
<b>Leadership:</b> Learn how to communicate effectively, keep morale high, motivate every single worker to perform well, maximize efficiency and achieve collective goals.
<b>LinkedIn:</b> A hands-on lab to create or strengthen your profile. Also, learn basic networking features of LinkedIn. <b>MUST REGISTER FOR AN ACCOUNT</b> prior to workshop.
<b>Manage Time for Success:</b> With so many competing demands, it is tough to get everything done. Gain a new perspective on time management and learn strategies to make the most of your time.
<b>Managing Change:</b> Discover how to embrace change and use it to your advantage.
<b>Marketing Yourself Successfully:</b> Learn how to create your personal brand that will give you consistency and confidence as you market yourself to employers.
<b>Online Job Research Resources:</b> Learn how to utilize online resources to research occupations and explore your career path.
<b>Professional Relationships:</b> Have you ever struggled with relating to others, responding positively to feedback, or dealing with difficult people? Learn skills and strategies to build strong relationships at work!
<b>Resume Strategies:</b> Learn the technique of targeting your resume and writing accomplishment statements to demonstrate strengths to employers.
<b>Self-Care for Balance:</b> Do you feel life pulling you in many different directions? You can reclaim your life by creating space for the things you enjoy. Learn the keys for a balanced and fulfilling life.
<b>Take Control of Your Life:</b> Understand what is, and what isn't, within our control. Discover strategies that can give you a greater sense of control in your life.
