November 18, 2020

The Adams County Motor Vehicle Offices will be closed until further notice due to increases in COVID-19 cases and current public health orders. We are unable to process any in-person, mail, or phone transactions, and some transactions may not be available online.

The person in possession of this letter attempted to renew/register their vehicle or apply for an ADA permit but was unable to do so because of this office closure.

Sincerely,

Josh Zygielbaum
Adams County Clerk and Recorder
