

Maiker Housing Partners

Empowering People, Strengthening
Communities in Adams County

If you are searching for affordable housing, need help with rent and/or utility bills or want to apply for a Housing Choice Voucher please visit our website at: www.maikerhp.org. We are focused on ending the cycle of generational poverty by providing individuals and families with access to affordable housing, support programs and engaging in socially conscious community development. We collaborate with nonprofit agencies, government agencies, the private sector, landlords, housing providers and the community to ensure stability and economic self-sufficiency are achievable goal for all Adams County residents.
