Our Purpose

To provide an ongoing forum for leaders from justice agencies, general governments, and communities in Adams County to discuss and prioritize public safety and criminal justice issues and coordinate resources to address issues in the most evidence-based, cost-effective, and equitable way possible.

- FY19-PR#02: Implement Pretrial Risk Assessment Training Standards and Compile an Inventory of Pretrial Assessments
- FY19-PR#03: Establish Pretrial Programs and Create a State-Administered Grant Program
- FY19-PR#10: Create a Statewide Court Reminder System

Documents with the recommendations were passed out to the Council and a brief discussion was held.

Committee Reports:

CJCC Governance:

Allison shared updates on Charlie's behalf

- A few additional housekeeping edits to the bylaws are being considered by the Executive Committee. Upon approval of those edits, the bylaws will be emailed out and prepared for a vote at the next council meeting.
- The directory was passed out and it was requested that if there were any updates to the directory to reach out to Allison and Charlie.

Alternative Sanctions

Emily Fleischmann:

Two Subcommittees:

- 1) CPAT review subcommittee: Trying to get buy in in the courts-trying to maximize the buy in from the bench as well as the PD and DA.
- 2) Trying to take Adams County as a map to create a database that shows what resources are available where. This is something that could be used by law enforcement as well as other agencies.

Additionally, reminder calls for courts, and restorative justice are being reviewed.

Behavioral Health:
