FEES REQUIRED AT TIME OF SUBMITTAL

- Plan Review fee based on 65% of listed valuation at time of submittal by applicant. [fee schedule]
  Note: During review of the plans, the valuation will be verified according to the Building Safety Journal Data (Aug 2014) price per square foot and may be adjusted resulting in adjustment of the plan review fee and additional charge for the difference or a credit towards total permit fees.

- Development Review fees upon each submittal: Residential $40.00.

CONTRACTOR’S LICENSING

A General Contractor and Subcontractor(s) must be identified prior to issuance of permits. If the contractors are not registered, they must do so on the E-Permit Center. Please see below for our requirements. Once the contractor is approved, Adams County requires the General Contractor to notify One-Stop at epermitcenter@adcogov.org. Any transfers will require written documentation between the new and old General Contractor and approval from the Adams County Building Safety Division.

- **Class A**: Erect, add to, alter, or repair any building or structure, in all occupancy groups.
- **Class B**: Erect, add to, alter, or repair any building or structure not over two (2) stories in height, in group B, F, M, S, R, and U occupancies.
- **Class C**: Erect, add to, alter, or repair any building or structure of a non-structural nature, in group M and R occupancies.
- **Class D**: Any specialty contractor including, but not limited to, plumbing, electrical, siding, fences, glass and glazing, insulation, and heating.

Adams County Building Safety requires the following documents to be successfully registered:

- Driver's License of Authorized Person(s)
- General Liability Insurance - [Requirements]
- Contractor license from any Colorado municipality OR ICC Certification
- Colorado State Contractor/Colorado Master License (Electrical and Plumbing Contractors ONLY)
