## CONTRACTOR'S LICENSING

A General Contractor and Subcontractor(s) must be identified prior to issuance of permits. If the contractors are not registered, they must do so on the [E-Permit Center](#). Please see below for our requirements. Once the contractor is approved, Adams County requires the General Contractor to notify One-Stop at [epermitcenter@adcogov.org](mailto:epermitcenter@adcogov.org). Any transfers will require written documentation between the new and old General Contractor and approval from the Adams County Building Safety Division

- **Class A:** Erect, add to, alter, or repair any building or structure, in all occupancy groups.
- **Class B:** Erect, add to, alter, or repair any building or structure not over two (2) stories in height, in group B, F, M, S, R, and U occupancies.
- **Class C:** Erect, add to, alter, or repair any building or structure of a non-structural nature, in group M and R occupancies
- **Class D:** Any specialty contractor including, but not limited to, plumbing, electrical, siding, fences, glass and glazing, insulation, and heating.

Adams County Building Safety requires the following documents to be successfully registered:

- Driver's License of Authorized Person(s)
  - General Liability Insurance - [Requirements](#)
  - Contractor license from any Colorado municipality OR ICC Certification
  - Colorado State Contractor/Colorado Master License (Electrical and Plumbing Contractors ONLY)
-
