I agree and certify under penalty of law that:

1. SWQ Permit application was prepared to the best of my knowledge.
2. The information provided is true, accurate and complete according to Adams County Development Standards & Regulations, Chapter 9.
3. Construction BMPs will be installed prior land disturbing activities, maintained throughout construction and removed at final stabilization.
4. Allow Adams County unrestricted access to the site to conduct regular SWQ Permit inspections.
5. Allow Adams County to perform corrective actions according to adopted regulations if Applicant fails to remedy site deficiencies.
6. Submit additional documentation as requested by Adams County representatives within the time specified.
7. Notify the County when the site reaches final stabilization, within 3 business days, to schedule a Closeout/Final Inspection.
8. The County's SWQ permit does not relieve the applicant of the requirements of CDPHE CDPS Stormwater Construction Permit.
