ADAMS COUNTY CONNECTS
HOUSING INSECURITY
RESOURCE FAIR

Thursday, May 19, 10 a.m. - 3 p.m.
Adams County Fire Station 11

Invite residents to the fair for shelter intakes, employment, identification acquisition, public benefits enrollment, food, no-cost hair cuts, and more! Email RMarkley@adcogov.org for more information.
**NEIGHBORHOOD TOOL SHED RENTALS**

Many residents can't afford tools to maintain their property. The Tool Shed program provides Adams County residents with complimentary access to yard and gardening tools. We are dedicated to supporting residents in maintaining their properties and helping others do the same. This program offers two opportunities to use tools:

1. Yard Cleanup
2. Neighborhood Cleanup

Hover your phone camera over the QR code to watch a video about the tool shed.

**HOUSING & SHELTER INTERVENTION MAP**

- **TA**: Transitional Housing for Adults
- **TF**: Transitional Housing for Families
- **SF**: Shelter for Families
- **SA**: Shelter for Adults
- **SP**: Safe Parking
- **CWS**: Cold Weather Shelter
- **PSHR**: Permanent Supportive Housing for People in Re-entry
- **PSHV**: Permanent Supportive Housing for Veterans
- **DV**: Domestic Violence Shelter

*SWAP (CWS) is not displayed on the map because it covers the entire county.*

*Maker Housing Partners’ HUD-VASH vouchers (PSH-V) cover the entire county except for Brighton, Aurora, and Commerce City.*

*One of the transitional housing sites for adults in Aurora is a Safe Outdoor Space/Pallet Shelter Village.*
Adams County is assembling a lived experience committee to inform our work! To diversify the applicant pool, we are currently seeking a youth, veteran, and Commerce City representative for our Lived Experience Committee, although anyone with lived experience of homelessness can apply. Email LEarl@adcogov.org for the short application.

Celebrate! Due in part to the expansion of the Severe Weather Activation Plan (SWAP) hotel voucher program, for the first time in Adams County history, there were no deaths caused by cold weather this season.

The Regional Alignment on Homelessness is an initiative to promote interest and investment in ending homelessness. Staff at Adams County have met with municipal, elected, and community leaders to discuss the first steps in the process: a data-sharing agreement.
