WELCOME

Greetings, neighbor! We are so excited to partner with you as we seek to beautify our great county, one unincorporated neighborhood at a time. This guide has the information you need to make your yard or neighborhood cleanup a success. Please read through the information carefully and keep the guide handy.

TOOL SHED PROGRAM: HOW IT WORKS

The Tool Shed program provides unincorporated Adams County residents with **FREE** access to yard and gardening tools. We are dedicated to supporting residents maintaining their properties and helping others do the same. This program offers two opportunities to use tools in our Tool Shed program.

Yard Cleanup: Unincorporated Adams County residents can check out individual tools to clean up their yard or help a neighbor.

Neighborhood Cleanup: A group of unincorporated Adams County residents can check out a Tool Shed full of yard and gardening tools for a larger neighborhood cleanup.

PARTICIPATION REQUIREMENTS

- Event/yard cleanup effort must be in unincorporated Adams County, Colorado.
- Neighborhood event/yard cleanup effort must have a designated Cleanup Coordinator.
- Equipment or Tool Shed can be used for up to 3 days.

INDIVIDUAL PARTICIPANT RESPONSIBILITIES
