## WHAT IS WORK OPTIONS?

Work Options is a Colorado nonprofit that has been serving the community since 1997. Our mission is to help people overcome barriers to employment by building confidence while providing resources and culinary job training.

Work Options Café will provide opportunities for people to gain skills, certifications, and hands-on experience. A meal from Work Options Café is so much more than just a meal - it's a path to employment for these students. It's a delicious way to help support those in our community who are working toward self-sufficiency.

For more information about enrolling or referring students to our program call 720-660-0159.
