

Adams County

Neighborhood Parking Program

Visitor Permit Policies

The purpose of these permits is to relieve the vehicle from the posted on-street parking restrictions. The policies for usage are:

- These permits are only to be given to visitors/ workers/ contractors directly associated with this household.
- The permits must be retained by the household once the vehicle leaves the designated parking district.
- A visiting vehicle may only use a permit for up to 72 consecutive hours, then the vehicle must move from the designated parking district.
- Any misuse of a visitor's permit will result in both permits being revoked by the Neighborhood Parking Program.
- If a permit is lost or damaged a replacement can be obtained from Adams County Neighborhood Services for a fee of \$5.00.
